Vijay, Veena!
Hurry up, your father
is already in the
car

I'm
ready mom. It's Vijay
bhaiya who is not yet
packed!

Ready
in two minutes
maaaa

I'm glad our two
families are finally going for
this picnic together Lakshmi.
The kids will enjoy the
waterpark

Yes, but I might enjoy
it even more than them.
When I was a child I used to
love water, and it's been so long
since Vijay's papa has had
enough time to take
us on vacation

Cmon Lakshmi,
get in the Sumo. We
are late already!

Raju, I'm glad you came in our Sumo instead of your parent's car. I wish I could sit at the back with you, but I will get car sick if I do

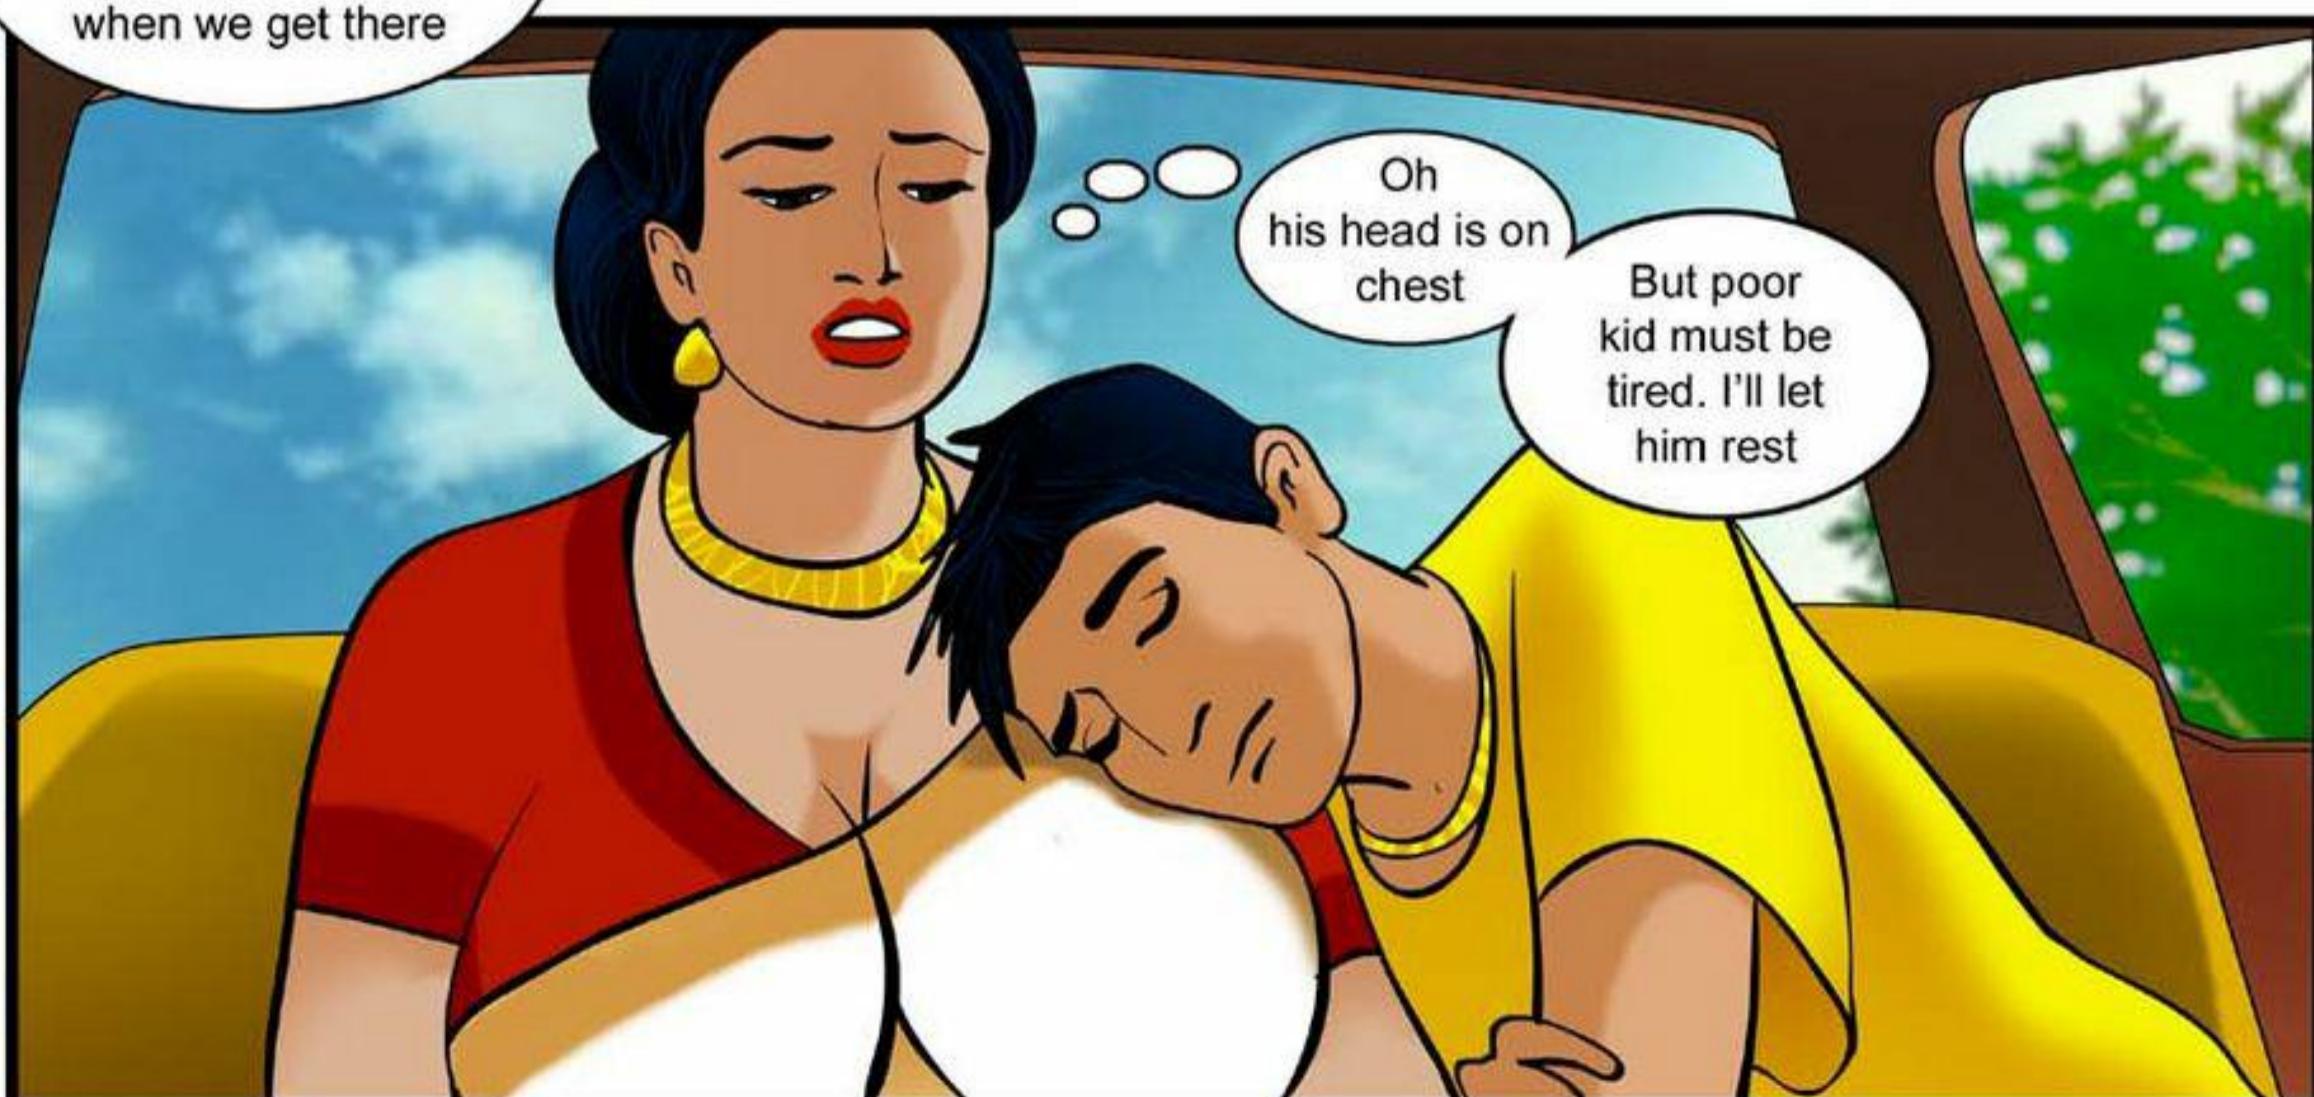

No problem dude, there wasn't enough space in our car anyways. I'm just gonna sleep till we get there!

A SHORT WHILE LATER

How much longer will we take to reach? The kids all have fallen asleep

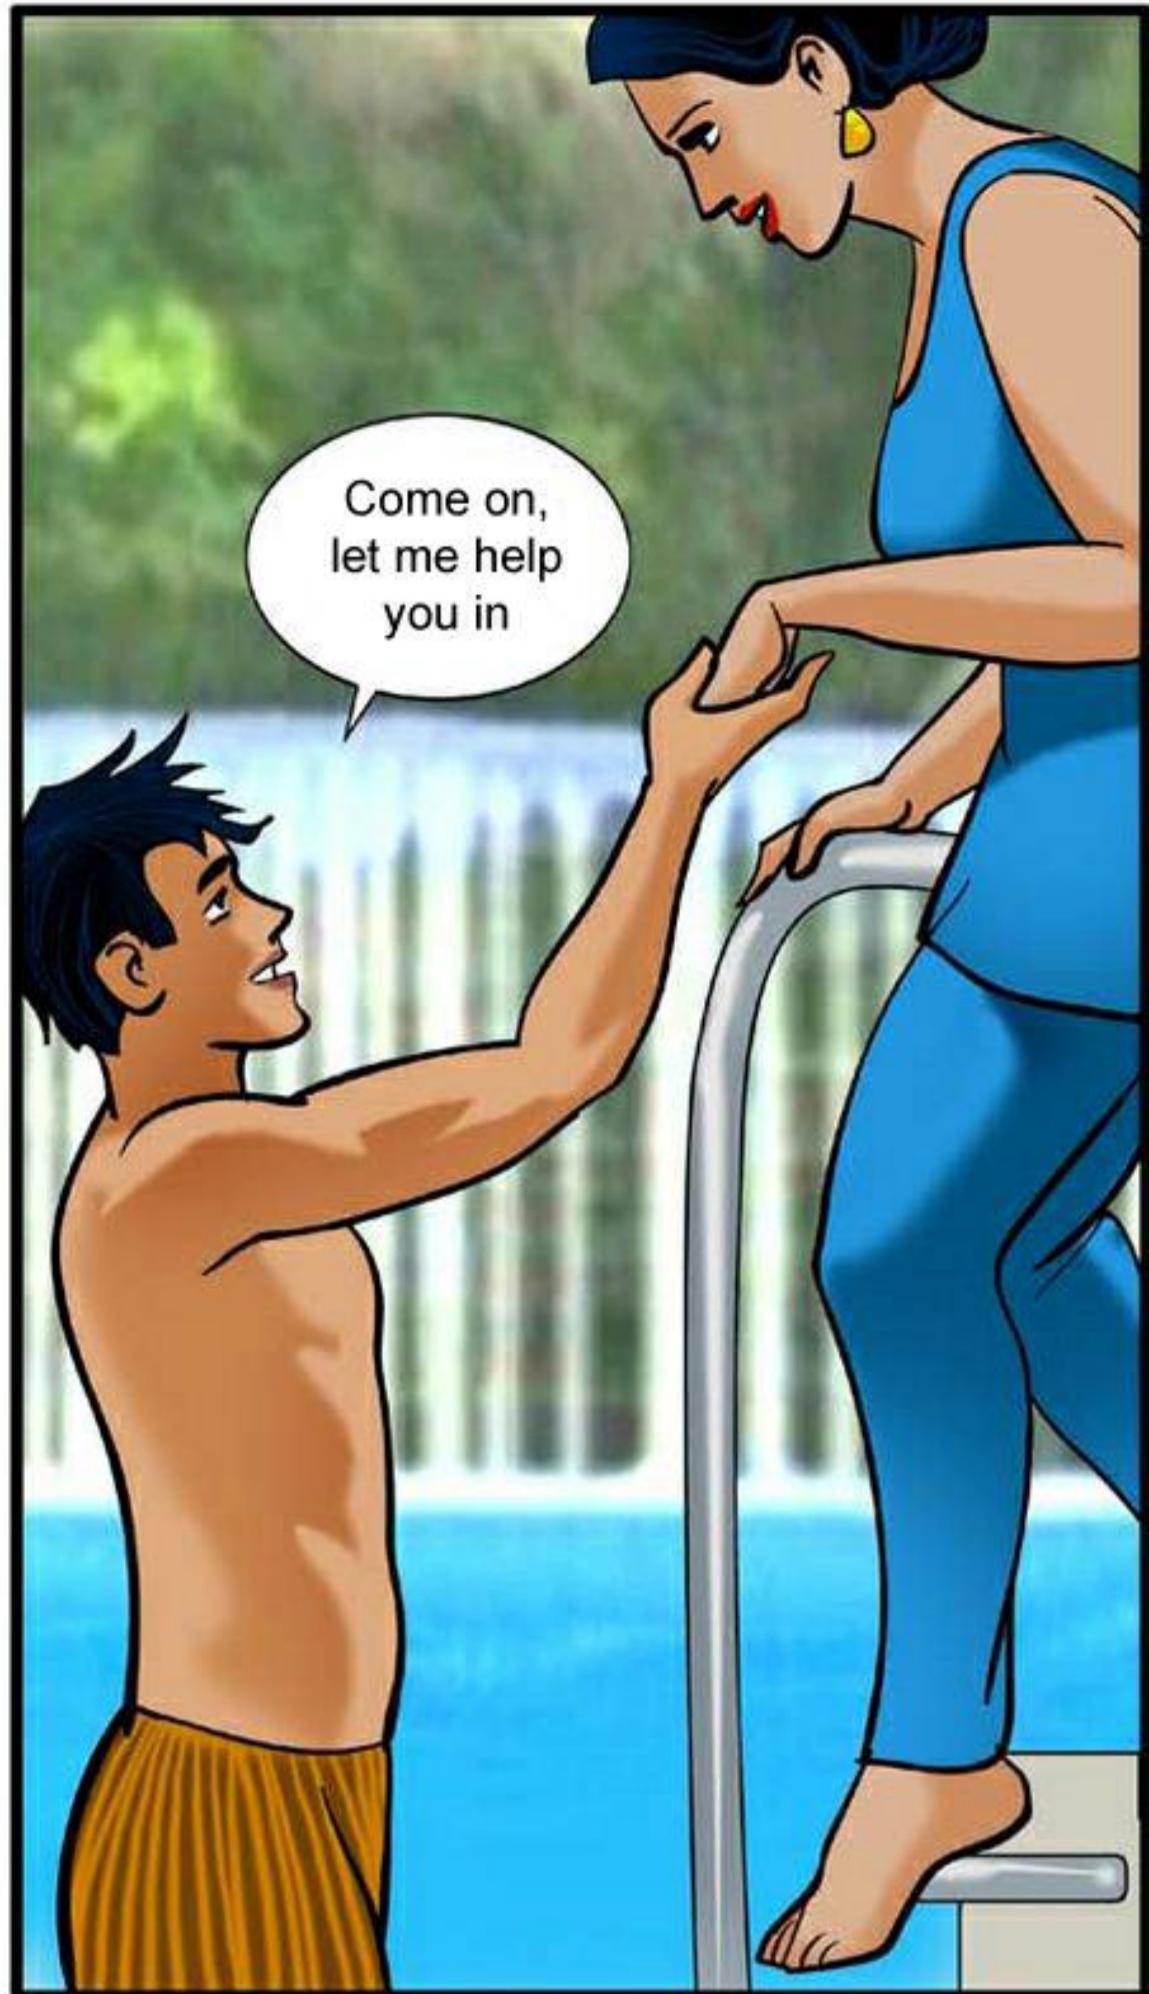

We should be there in another forty minutes. We'll wake them when we get there

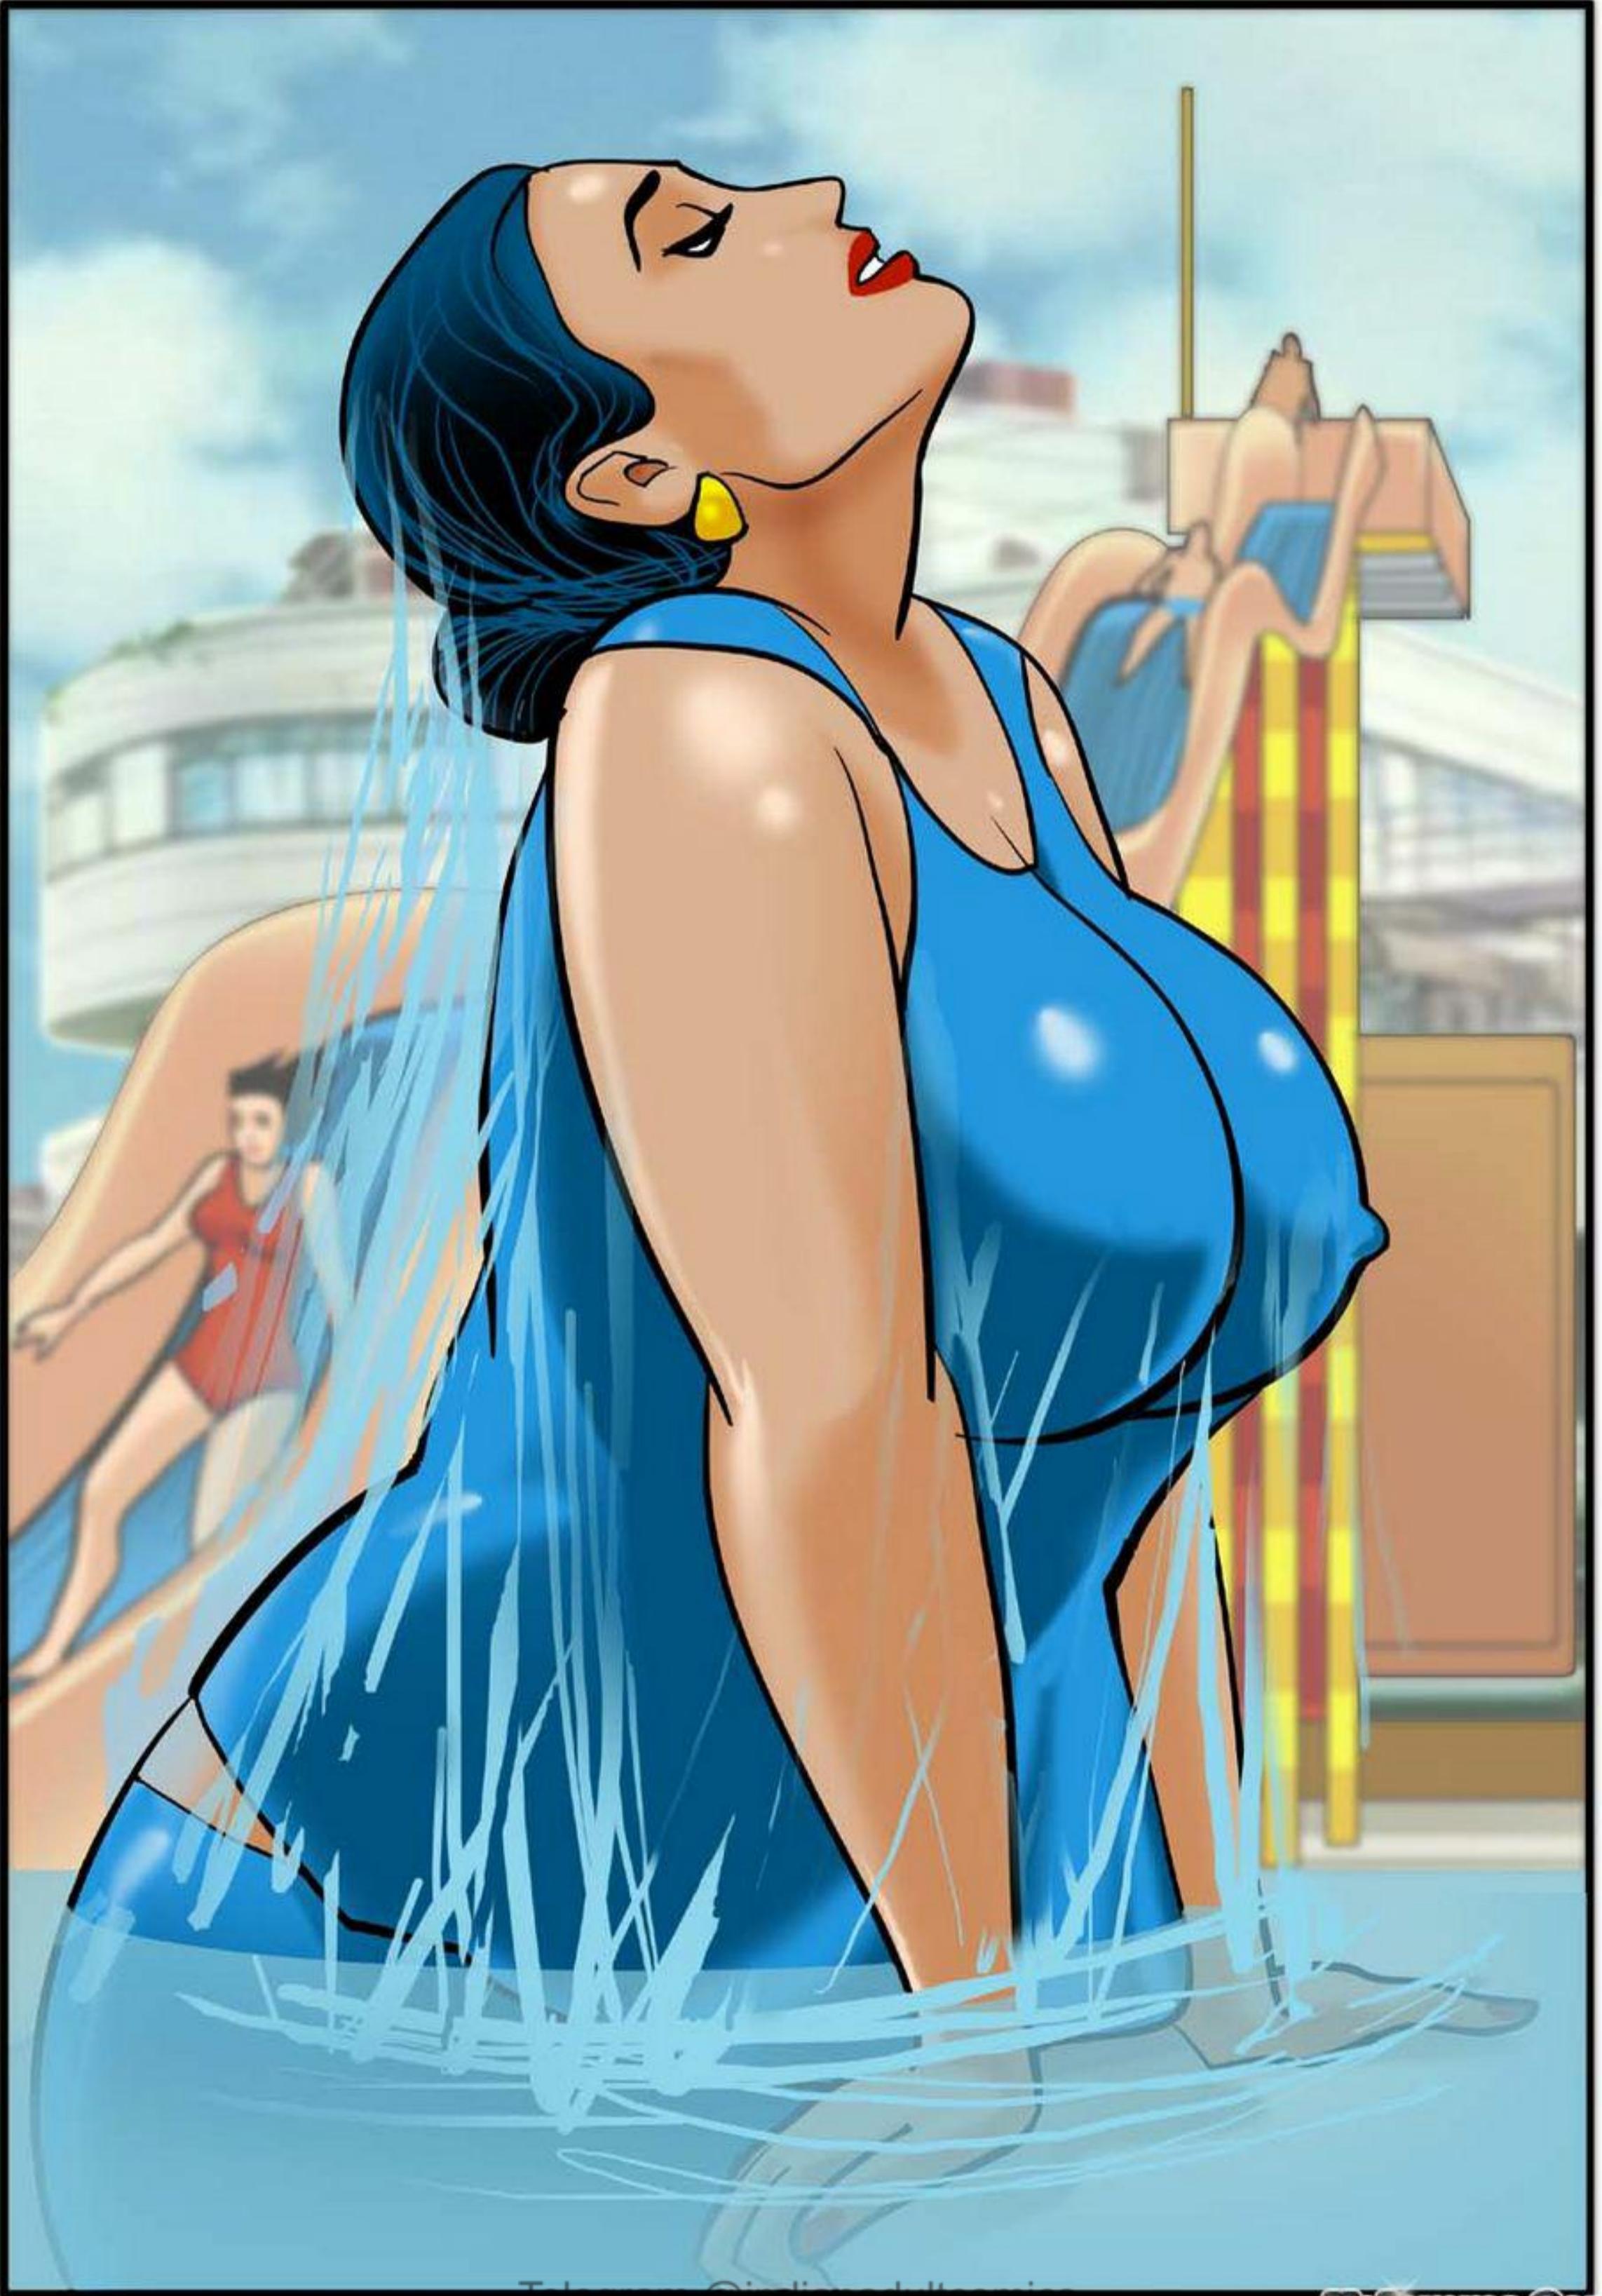

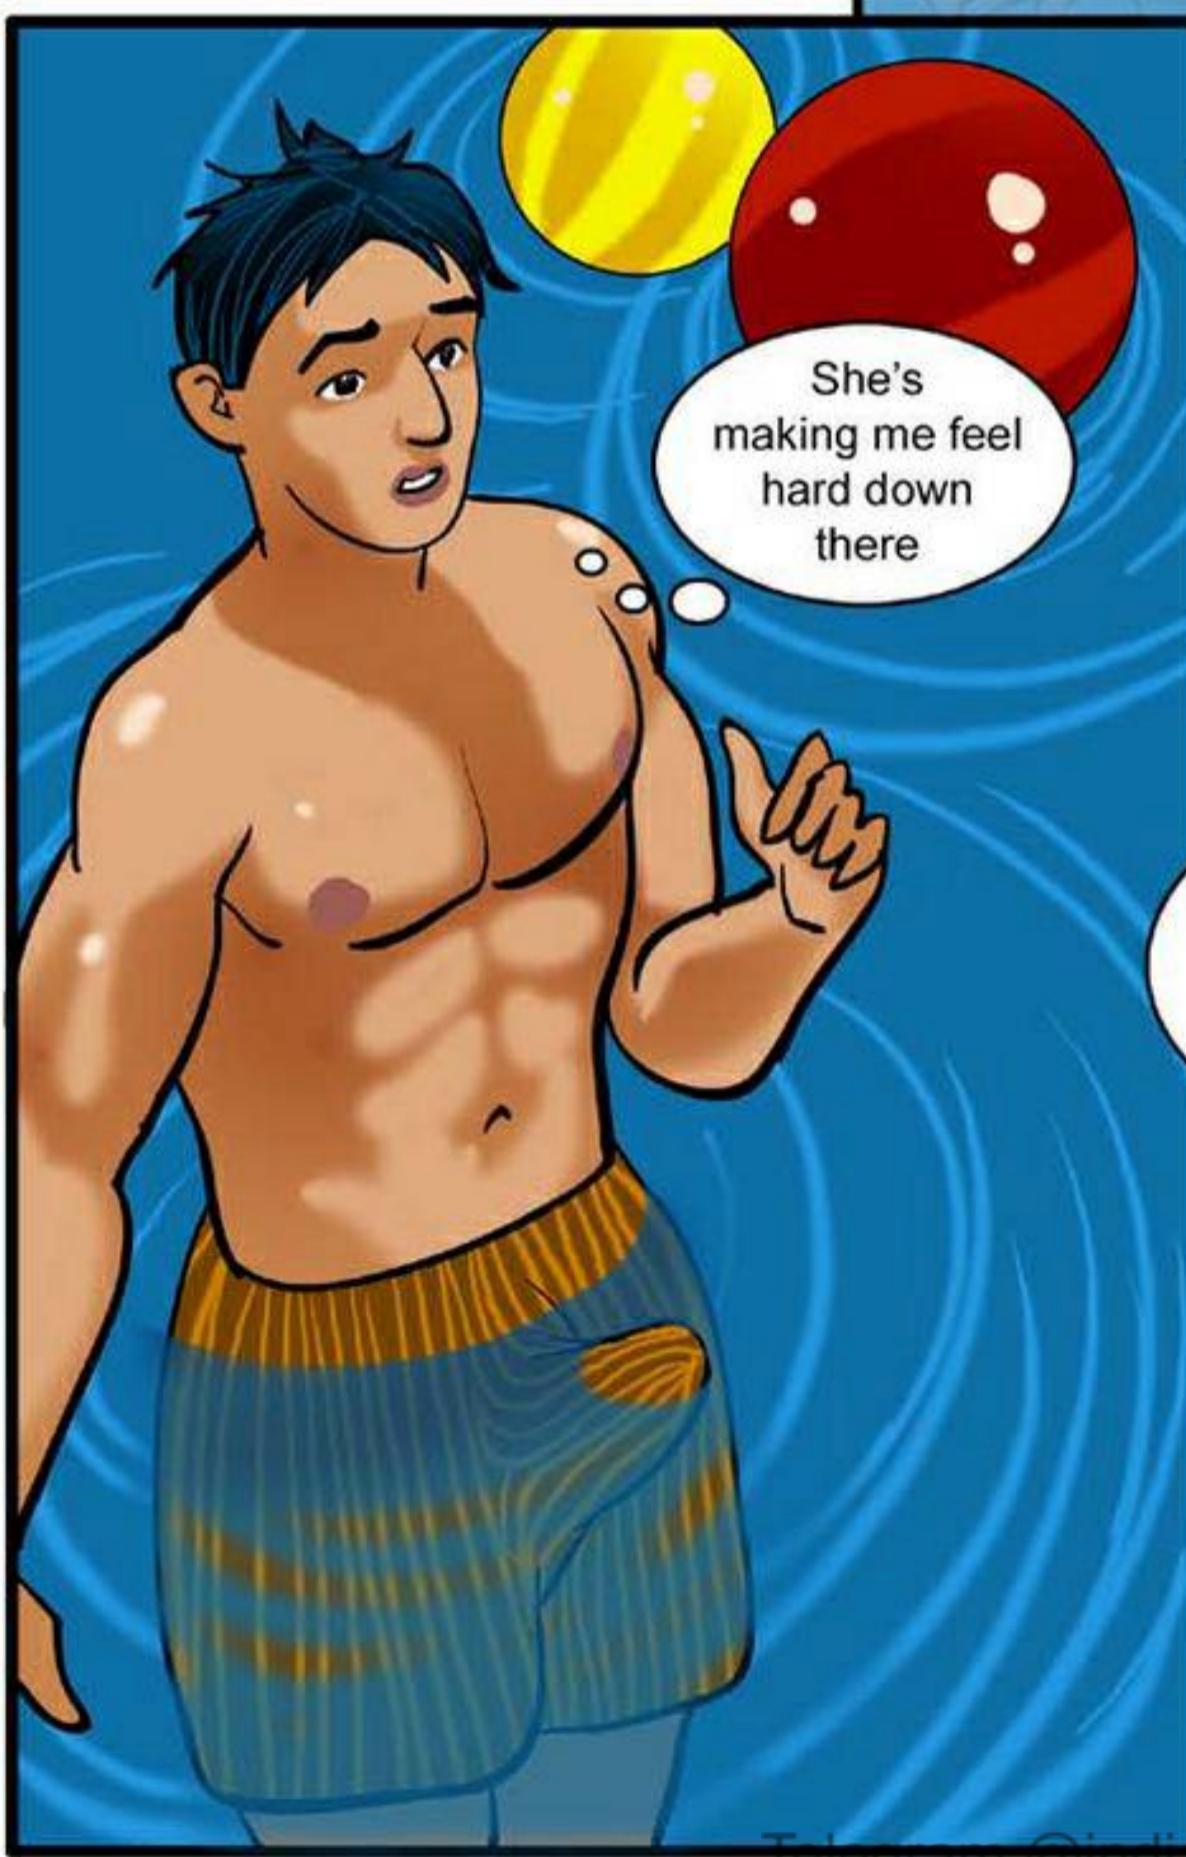

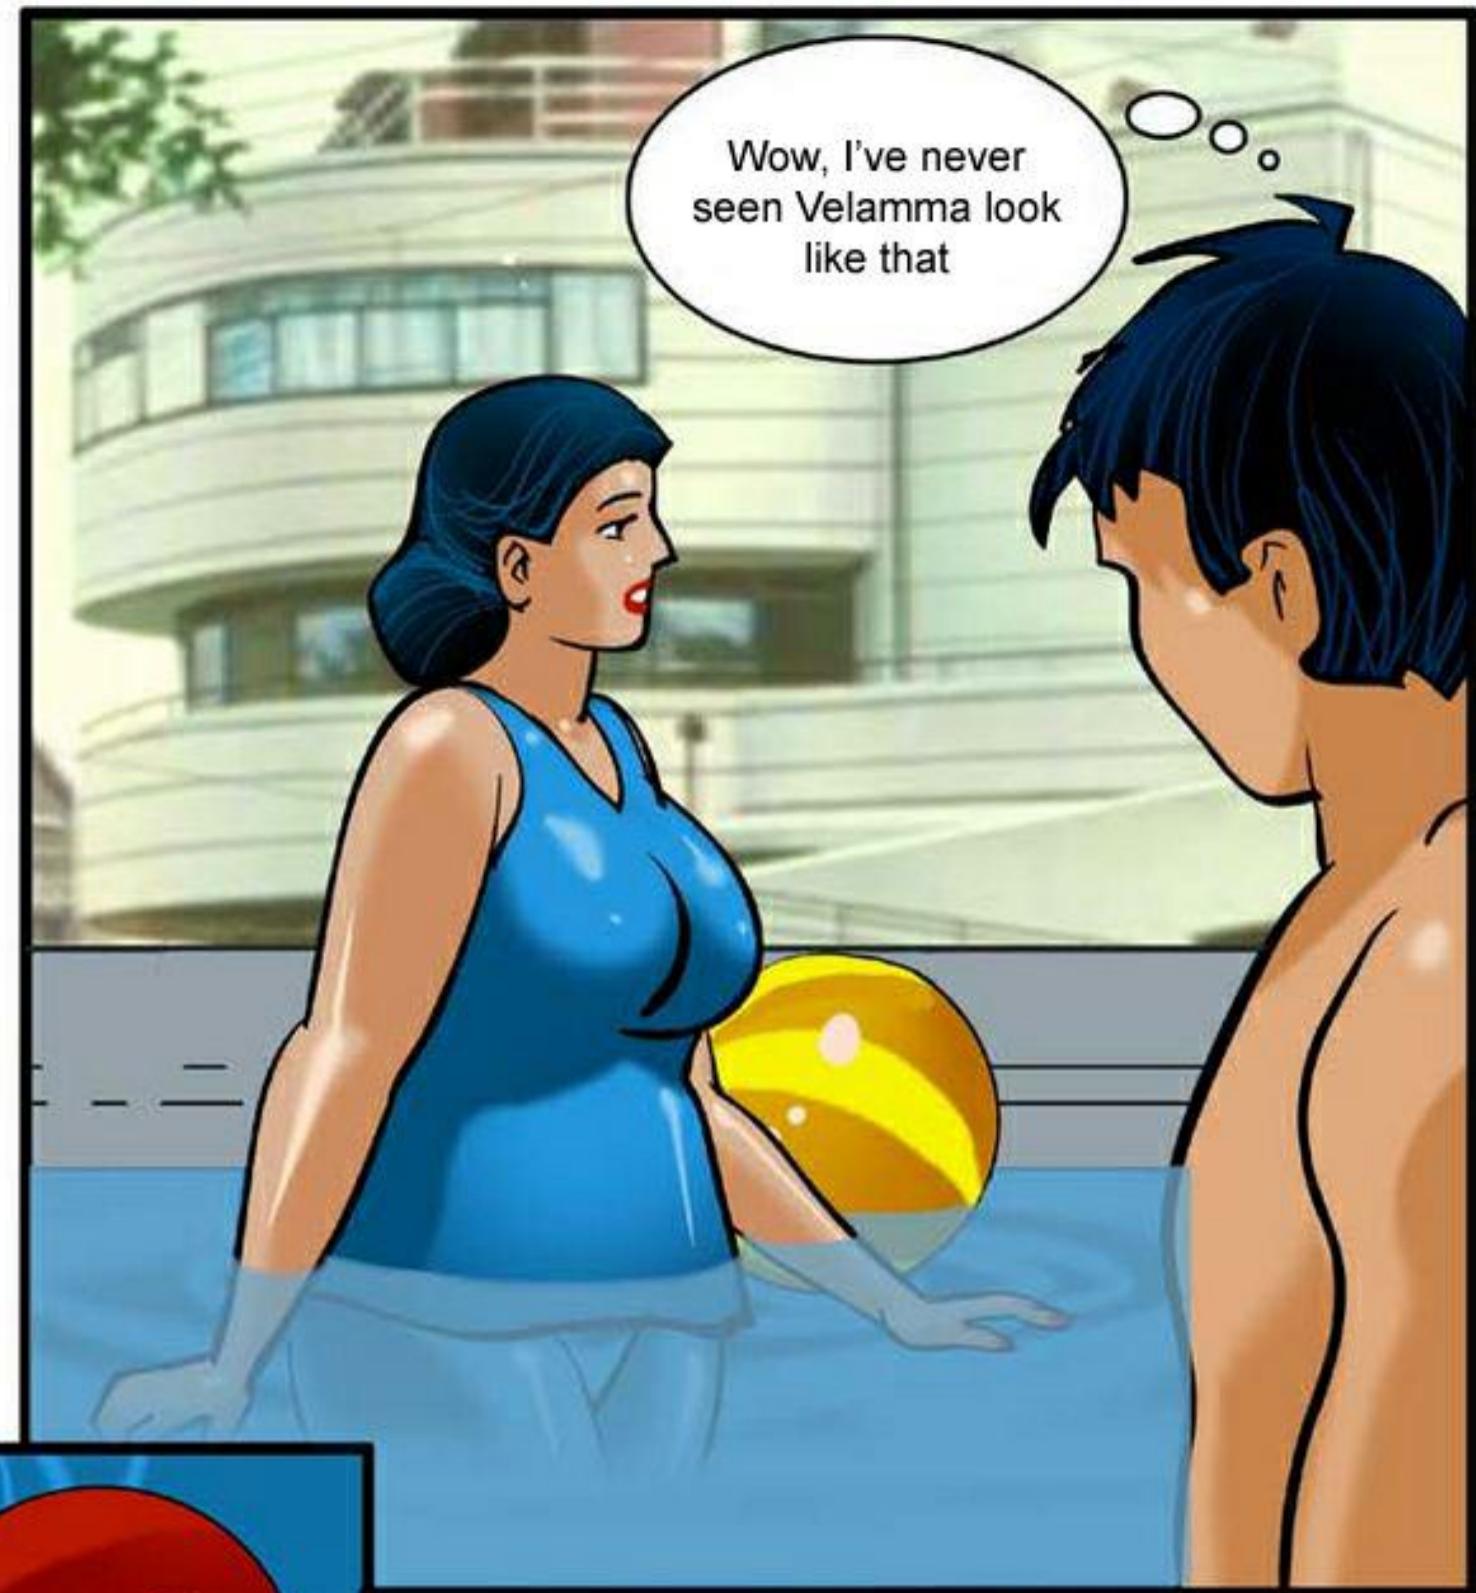

Oh his head is on chest

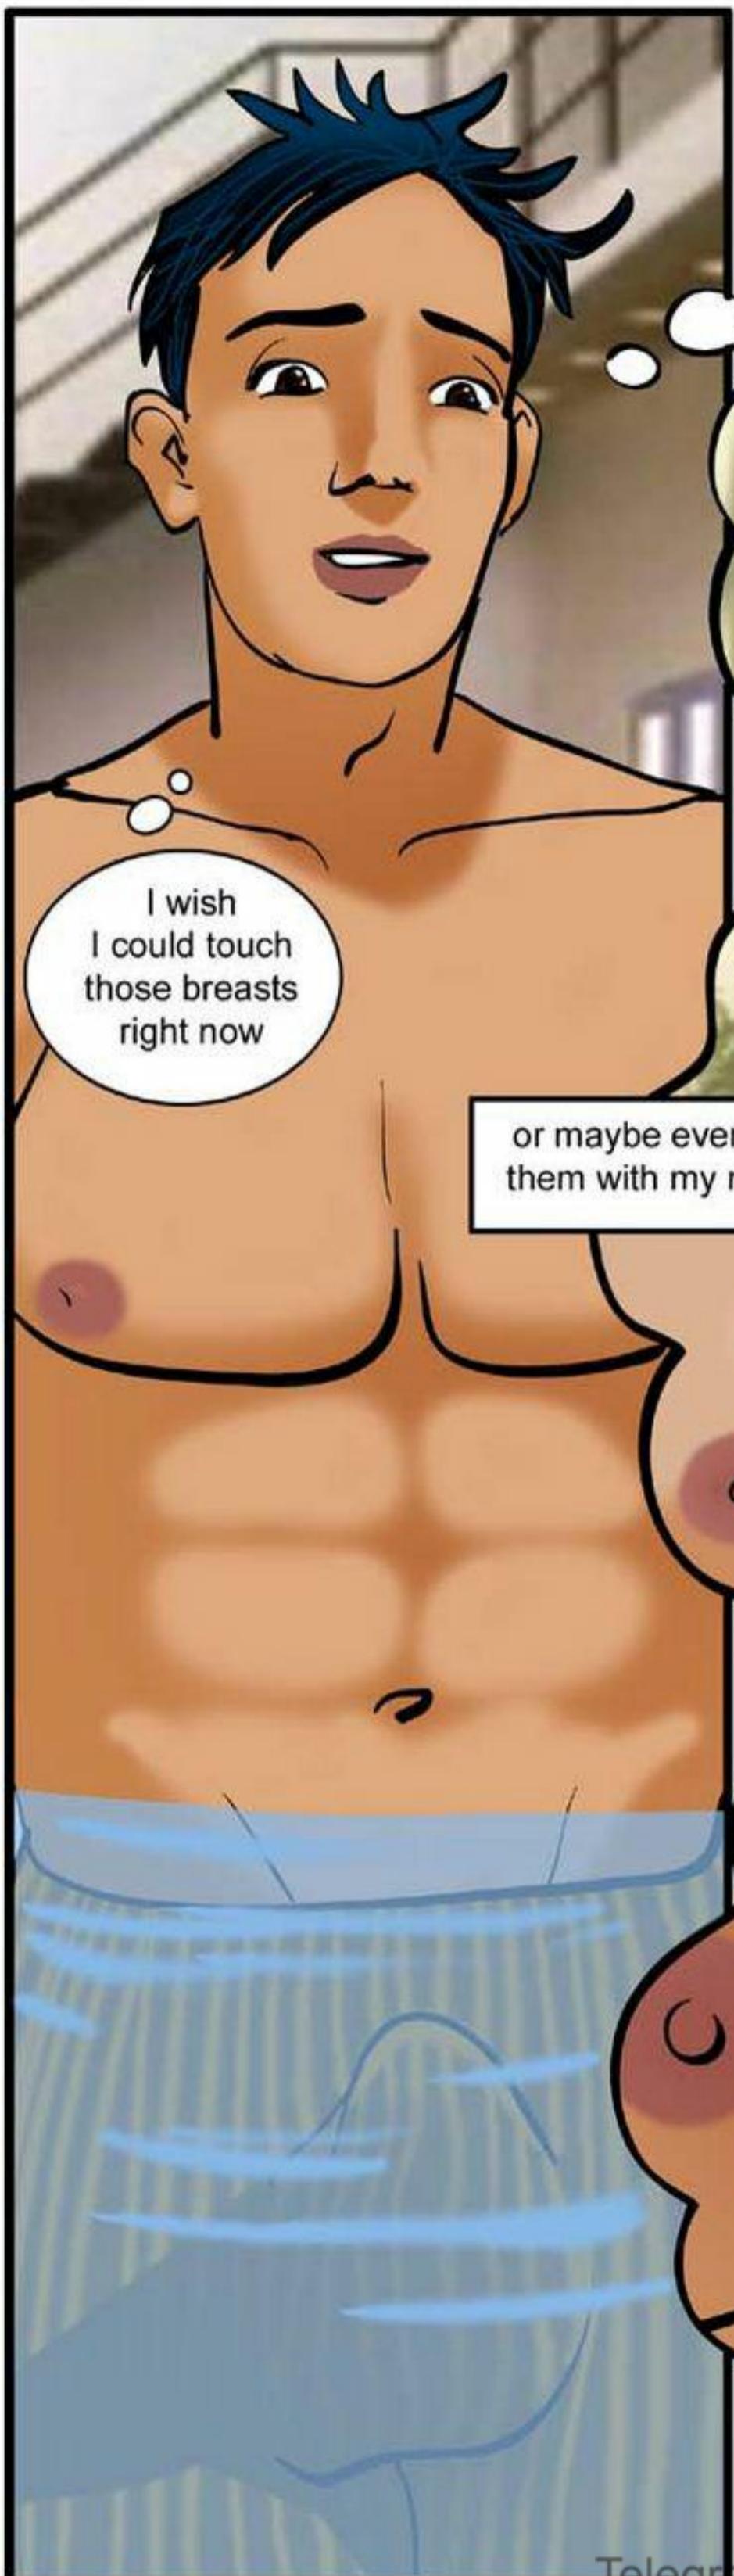

But poor kid must be tired. I'll let him rest

AN HOUR LATER

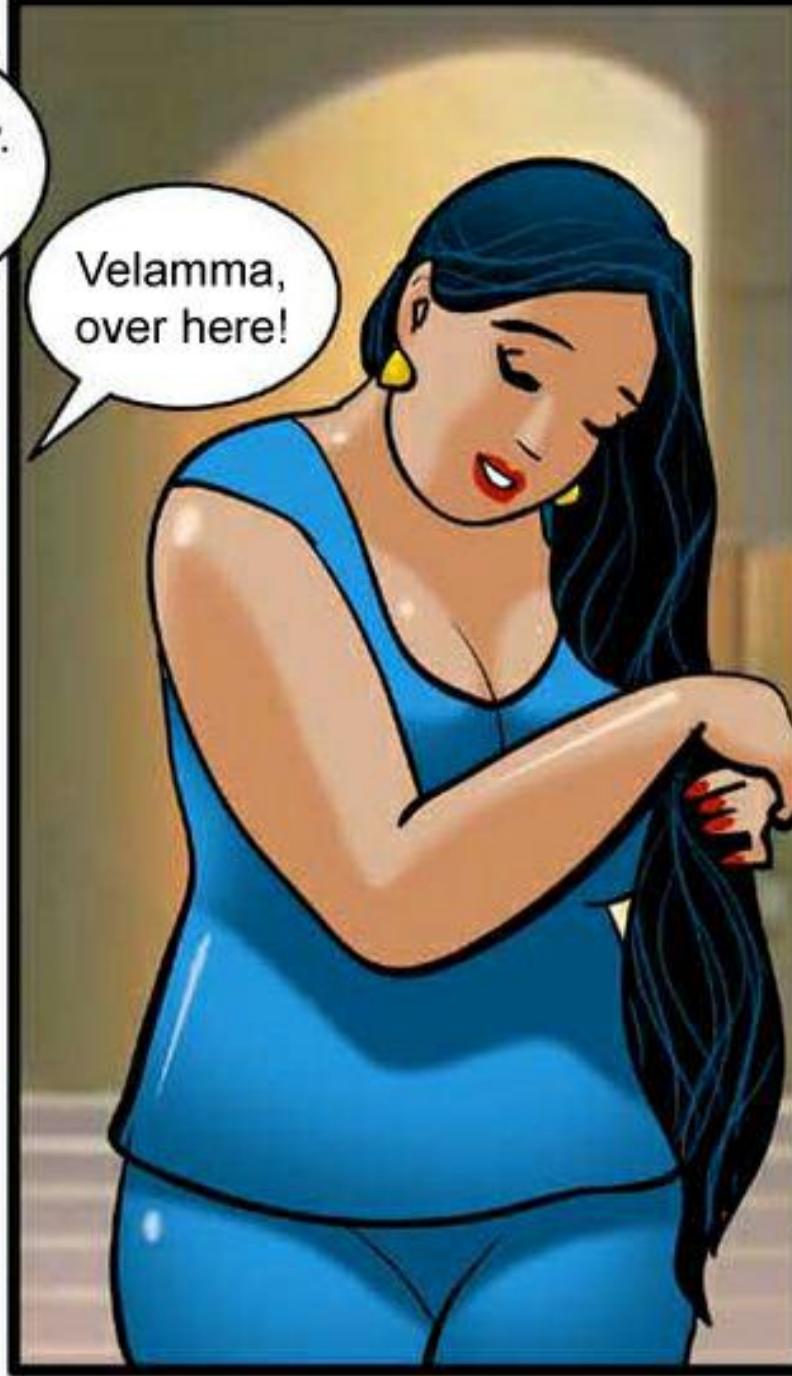

I would give anything to feel her
hard nipples through that blouse...

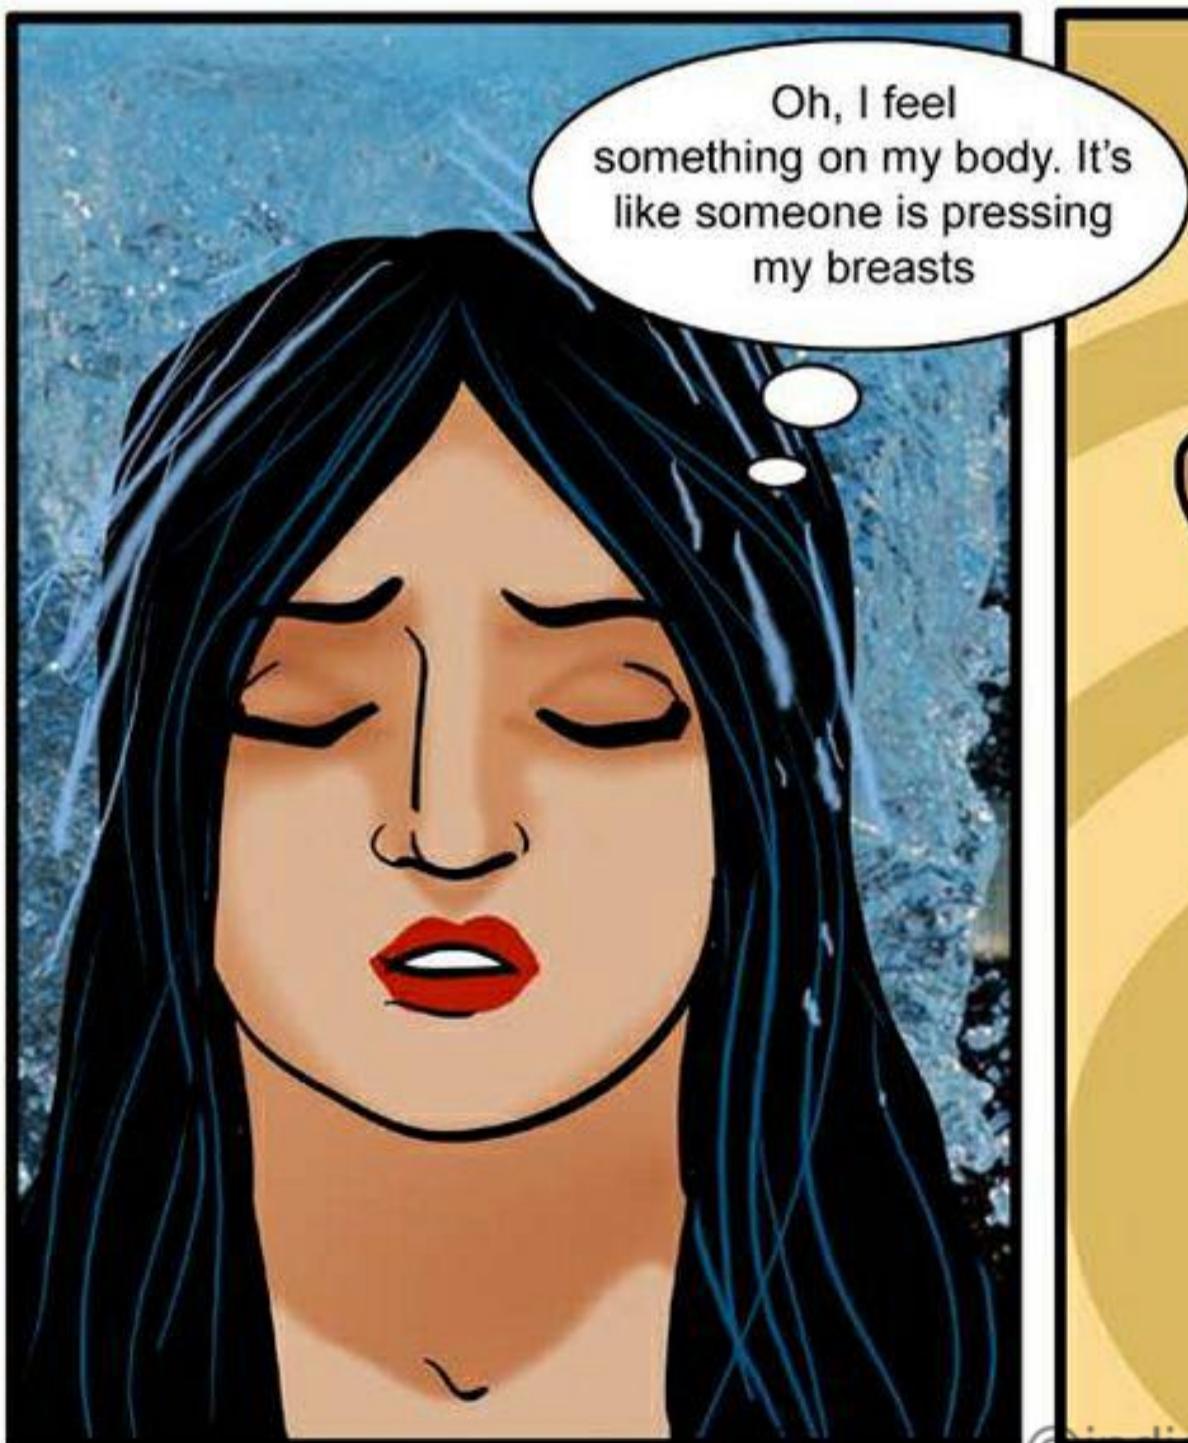

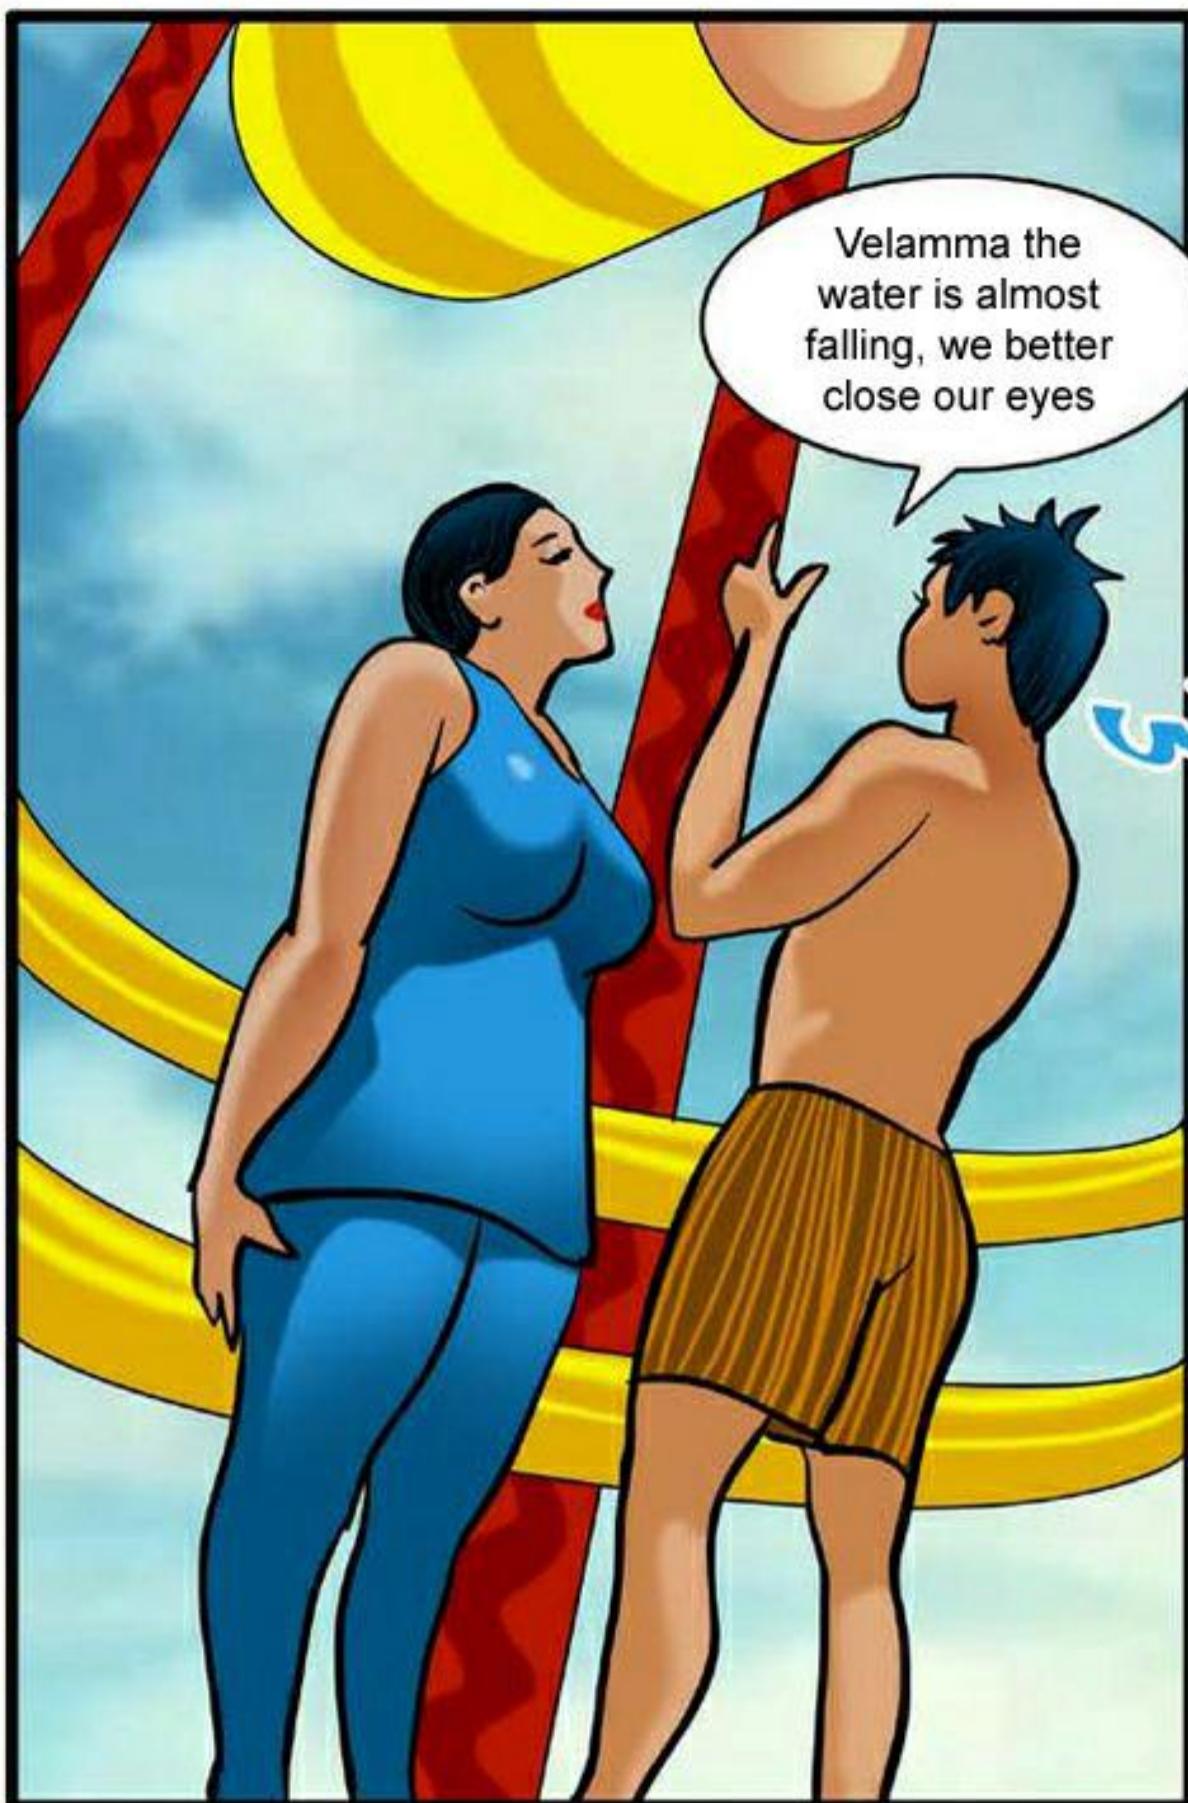

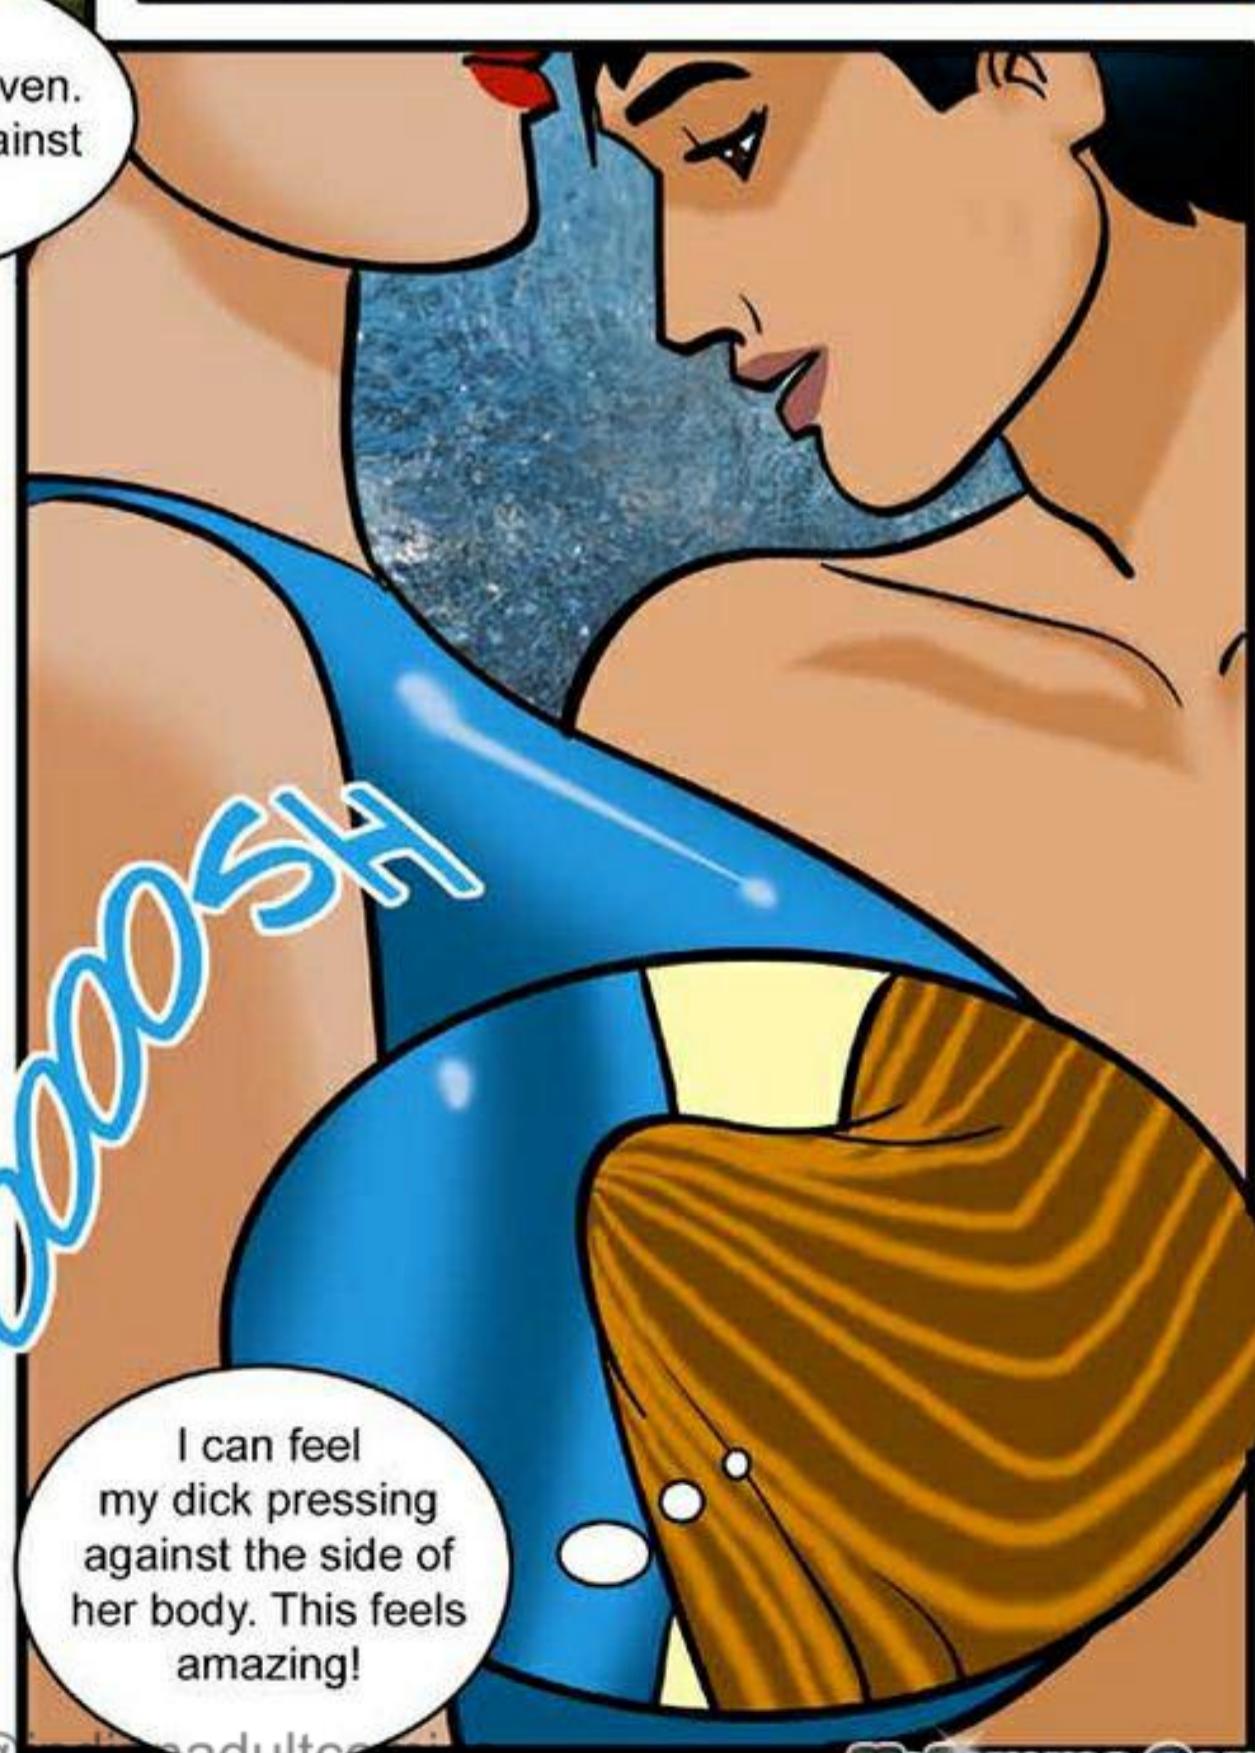

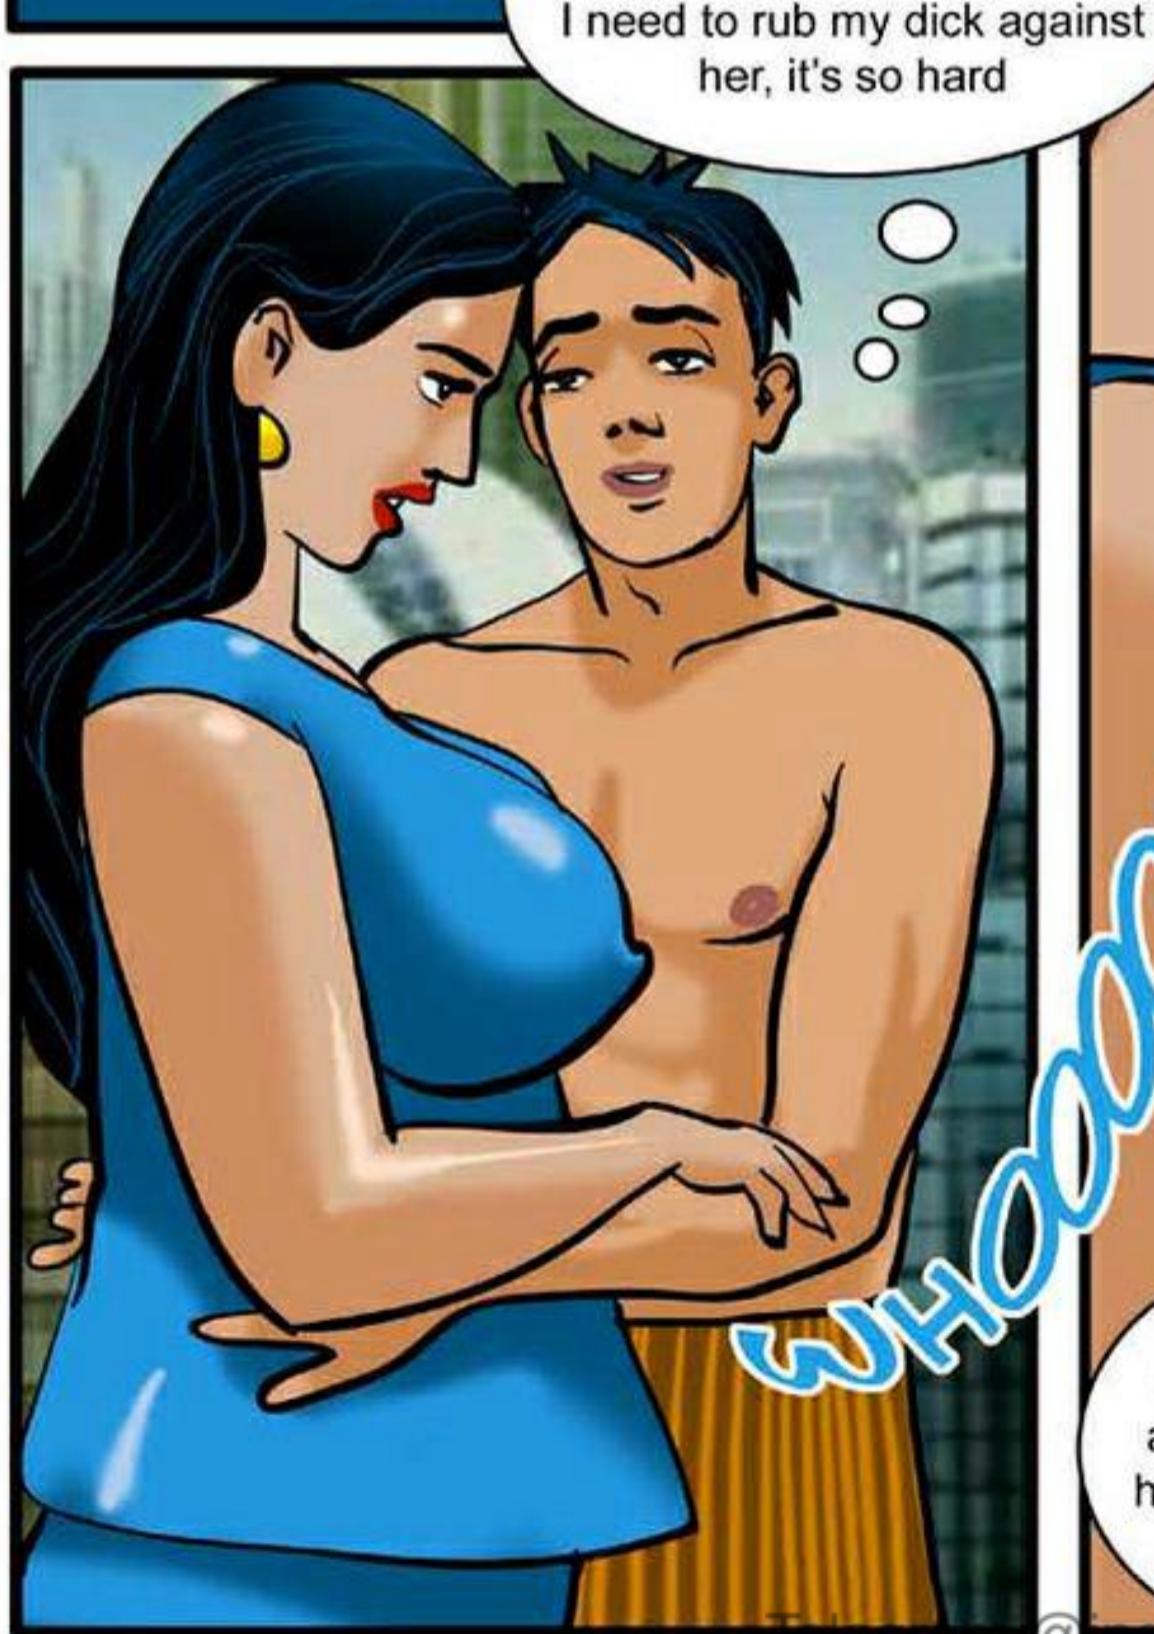

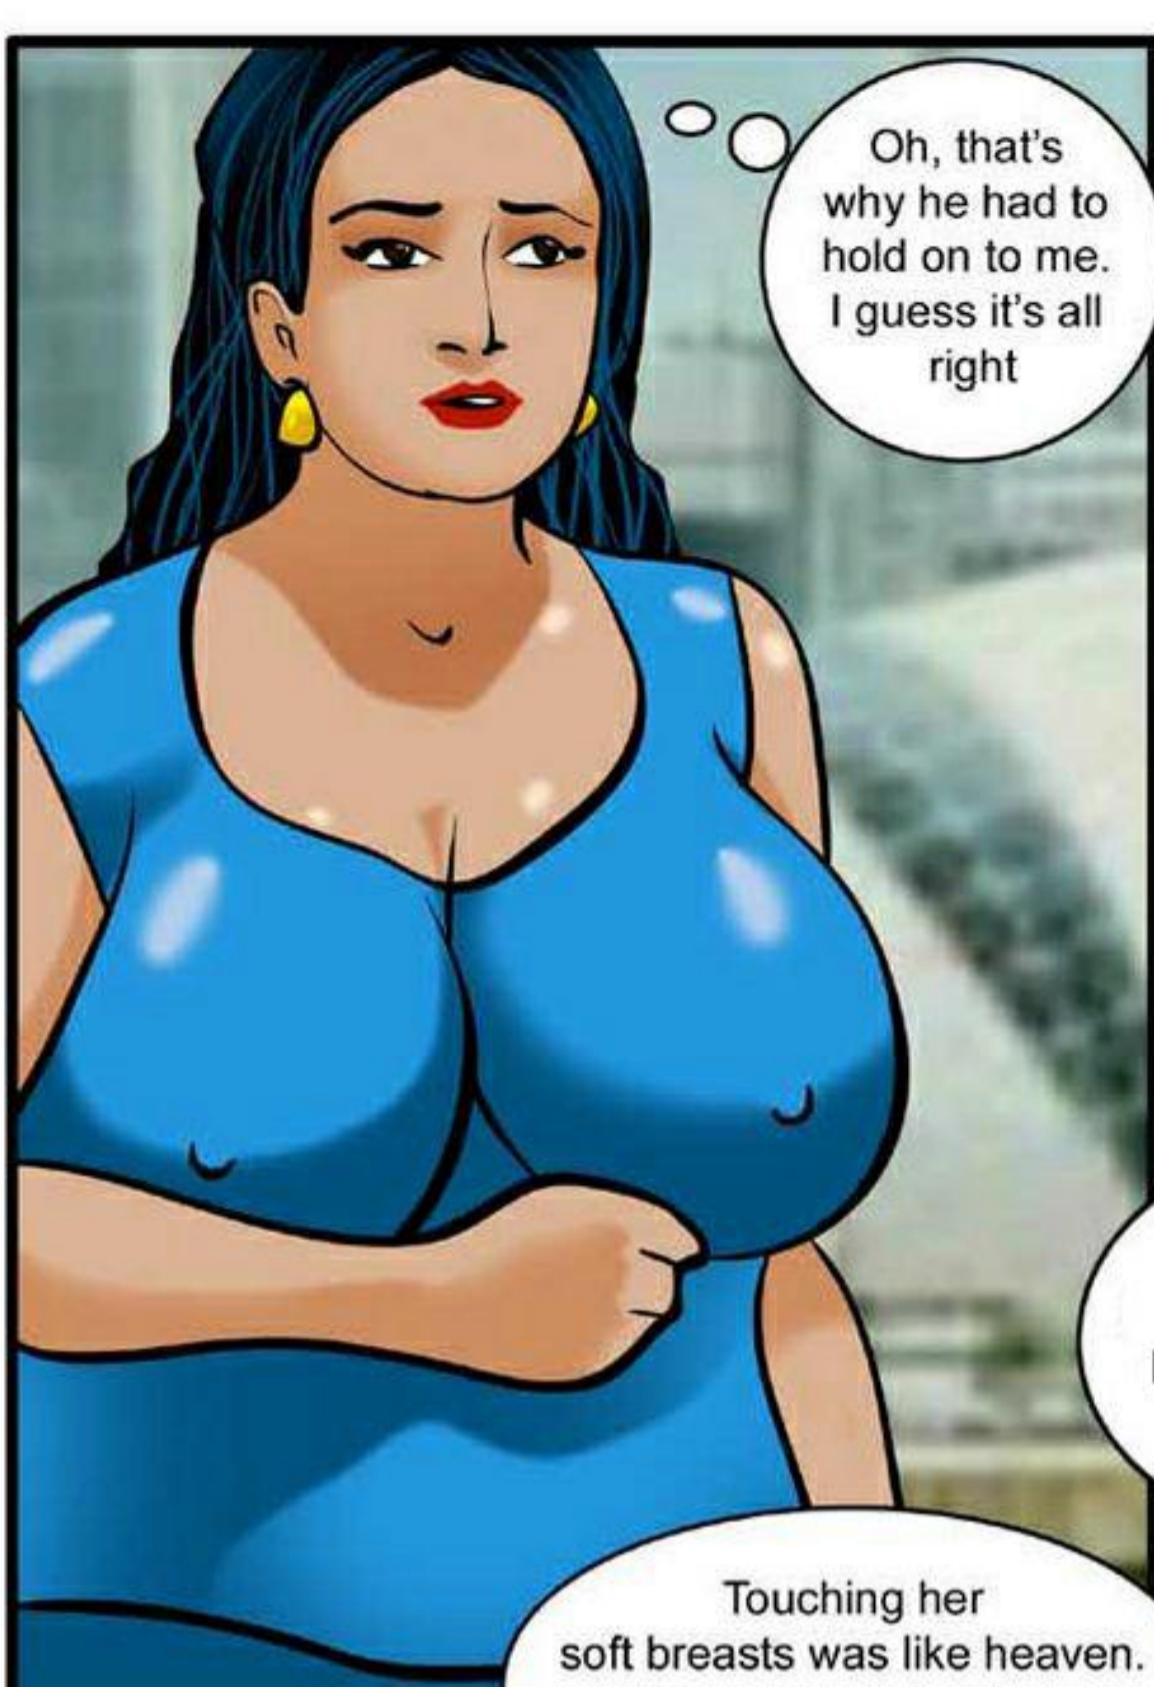

Oh, I need to touch her somehow. I can't control myself

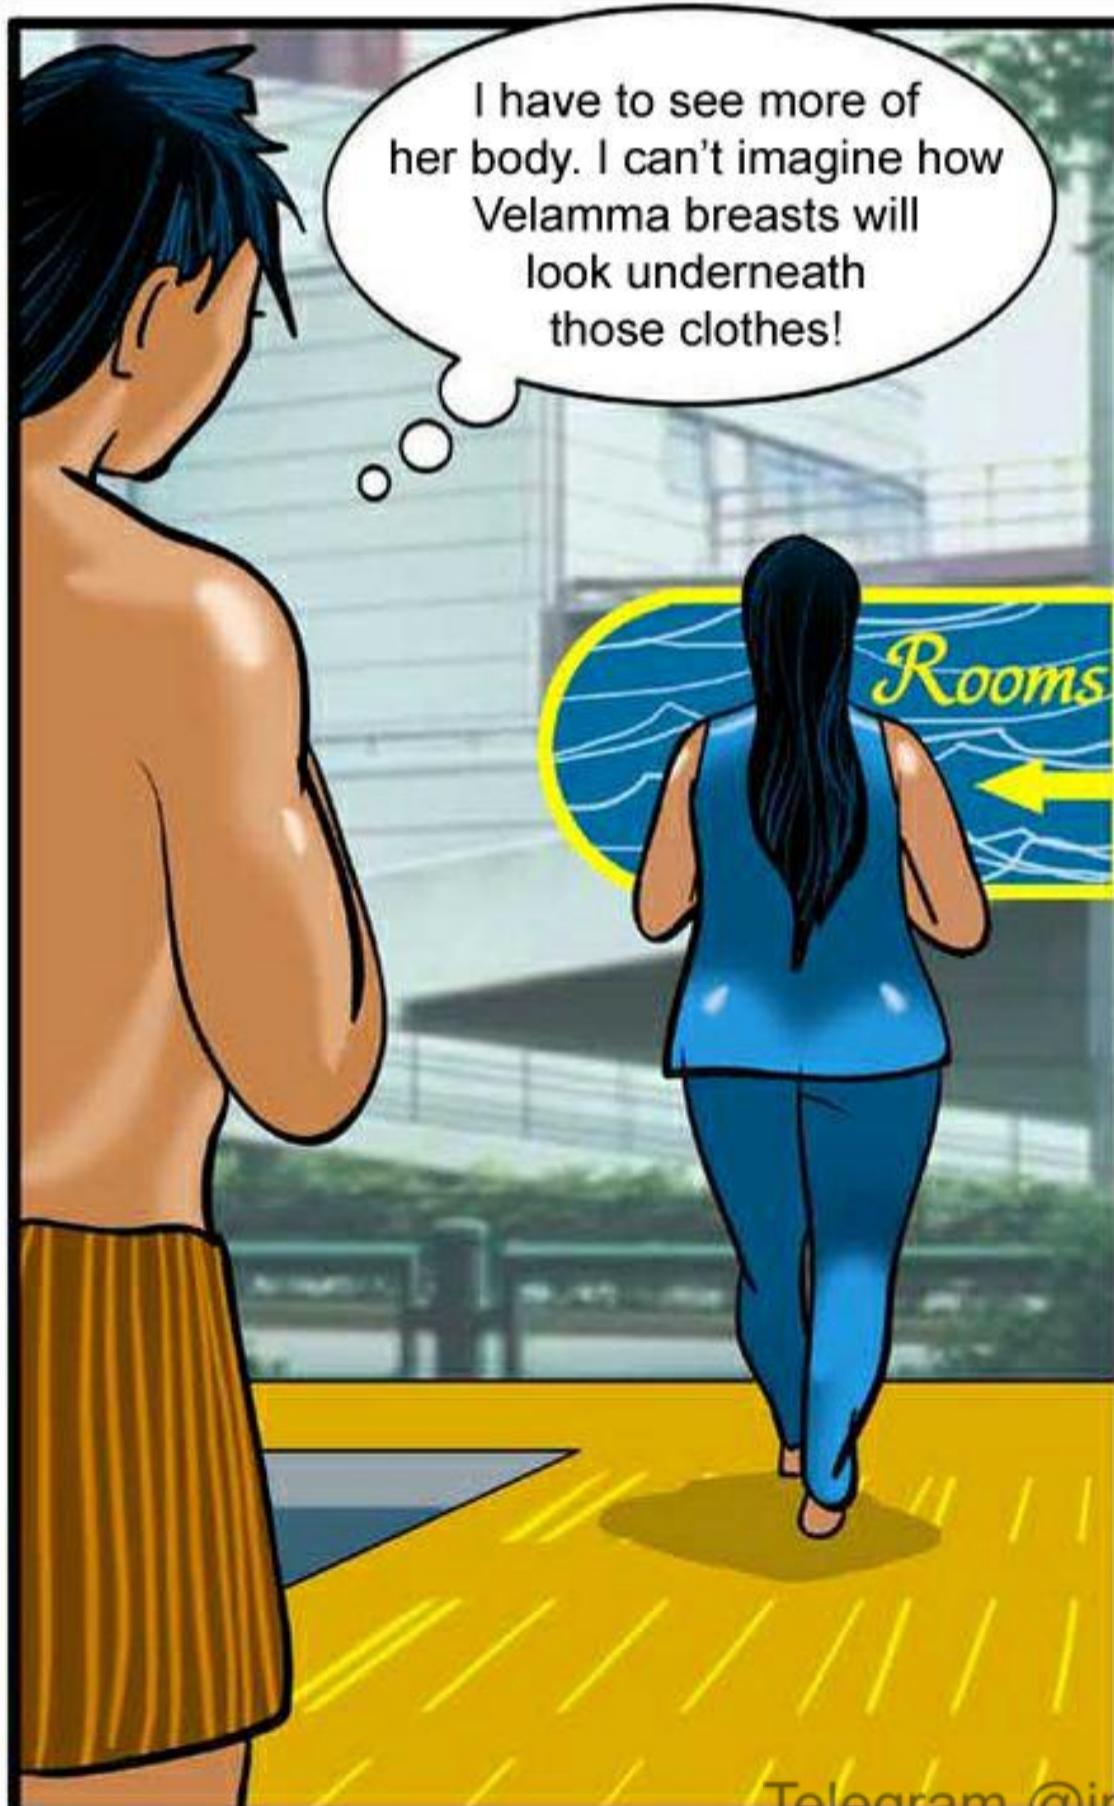

Velamma, over here!

There is a bucket waterfall over there. Come lets go underneath it

Good,
there is no one
around the
back

She is looking
too hot. My dick
is getting hard again
just looking at her

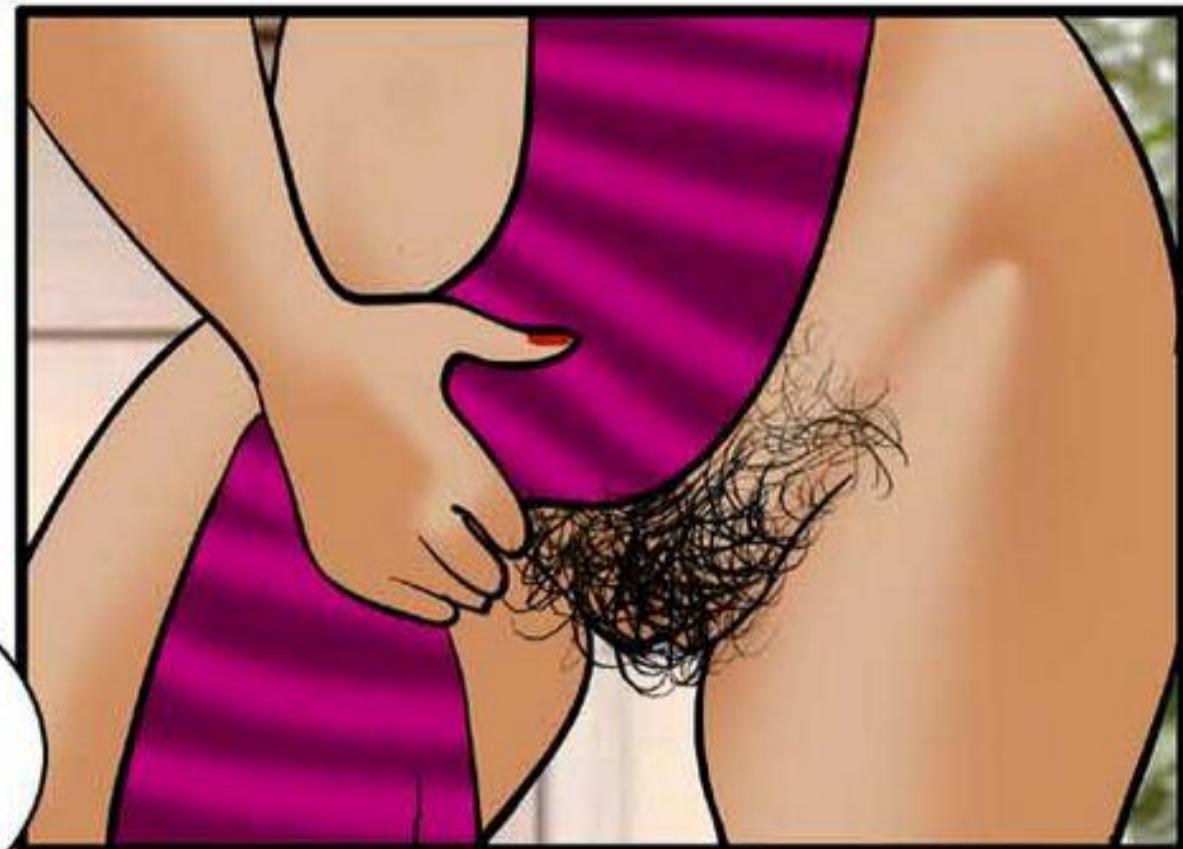

I never thought
I'd be looking at
Velamma and
masturbating
one day

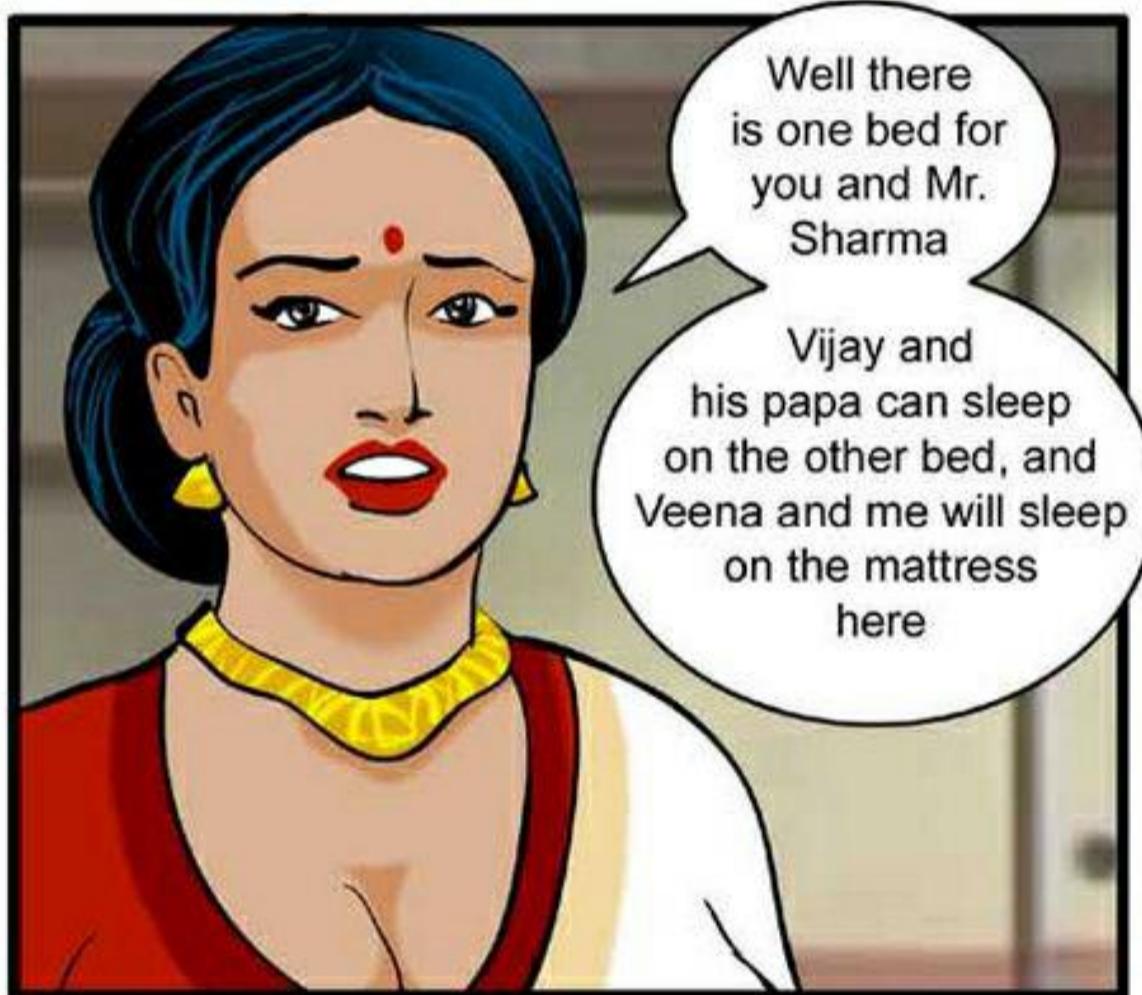

Raju was
a little too close to
me in the pool today.
Could he have
been....

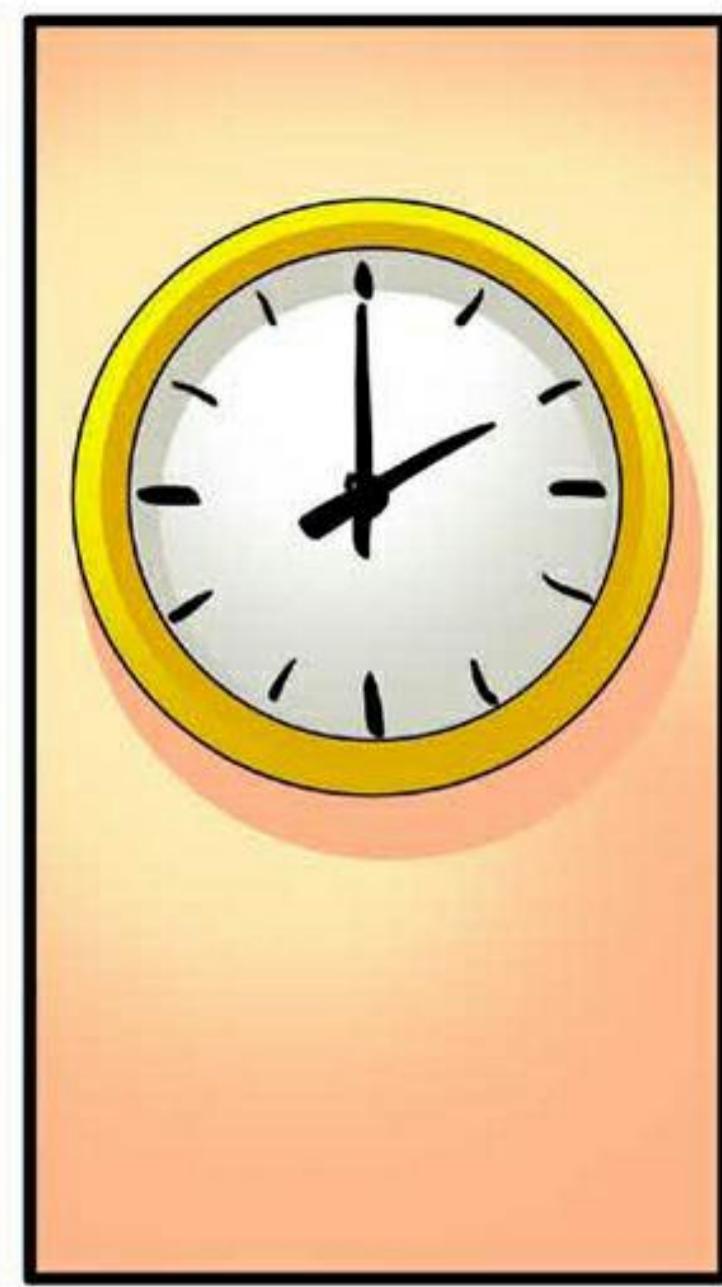

No no,
what am I
thinking!

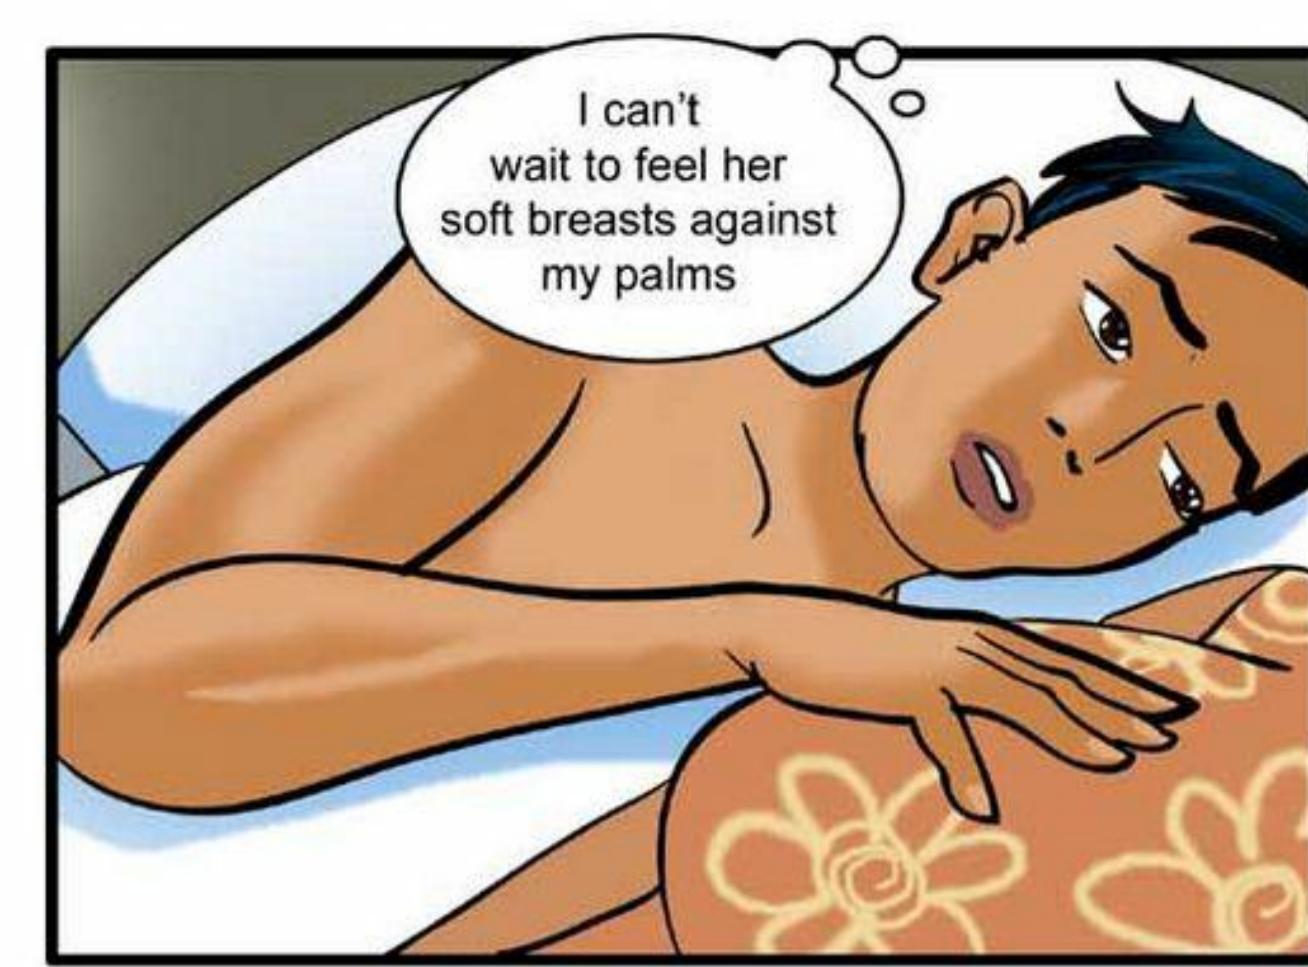

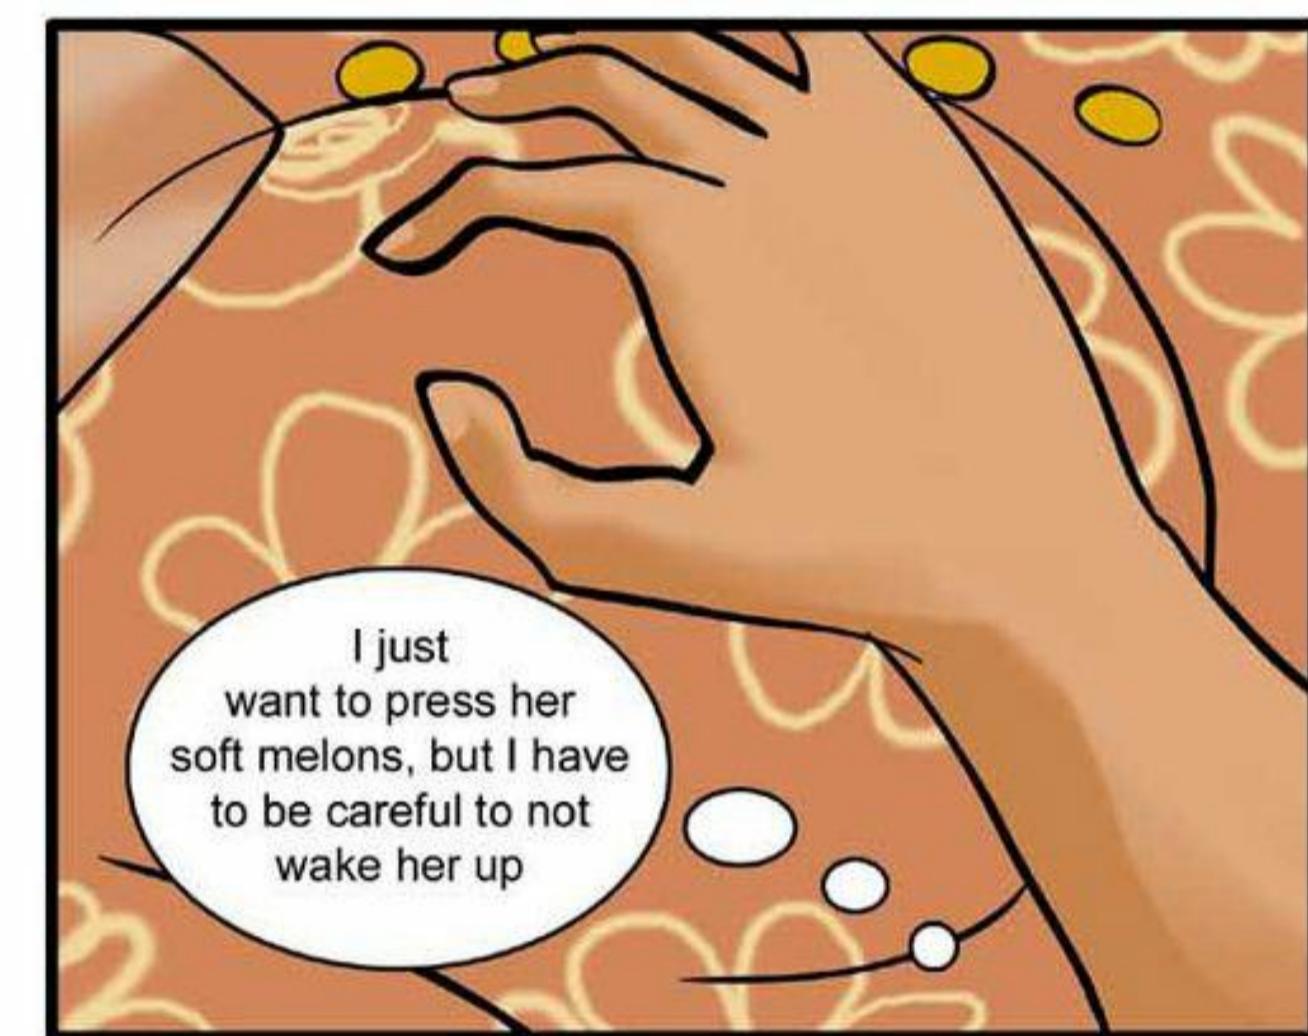

Later

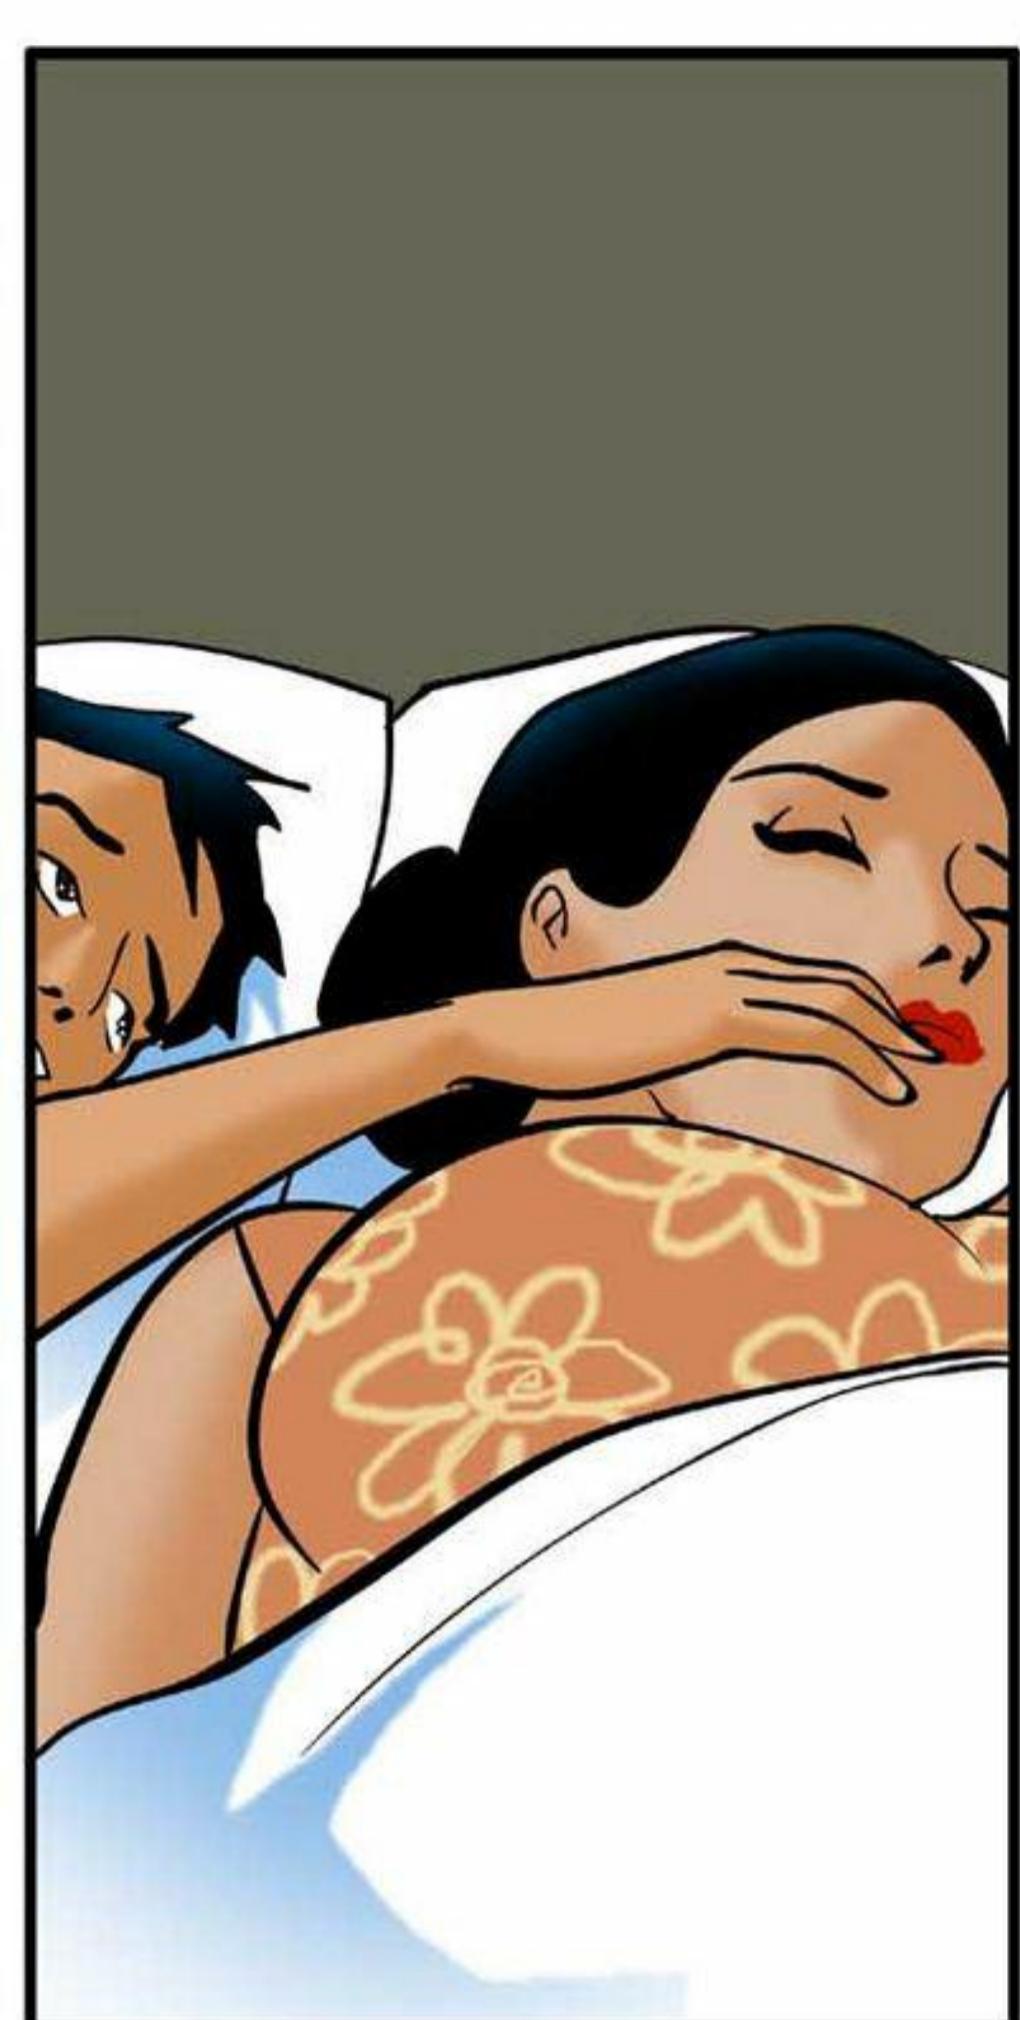

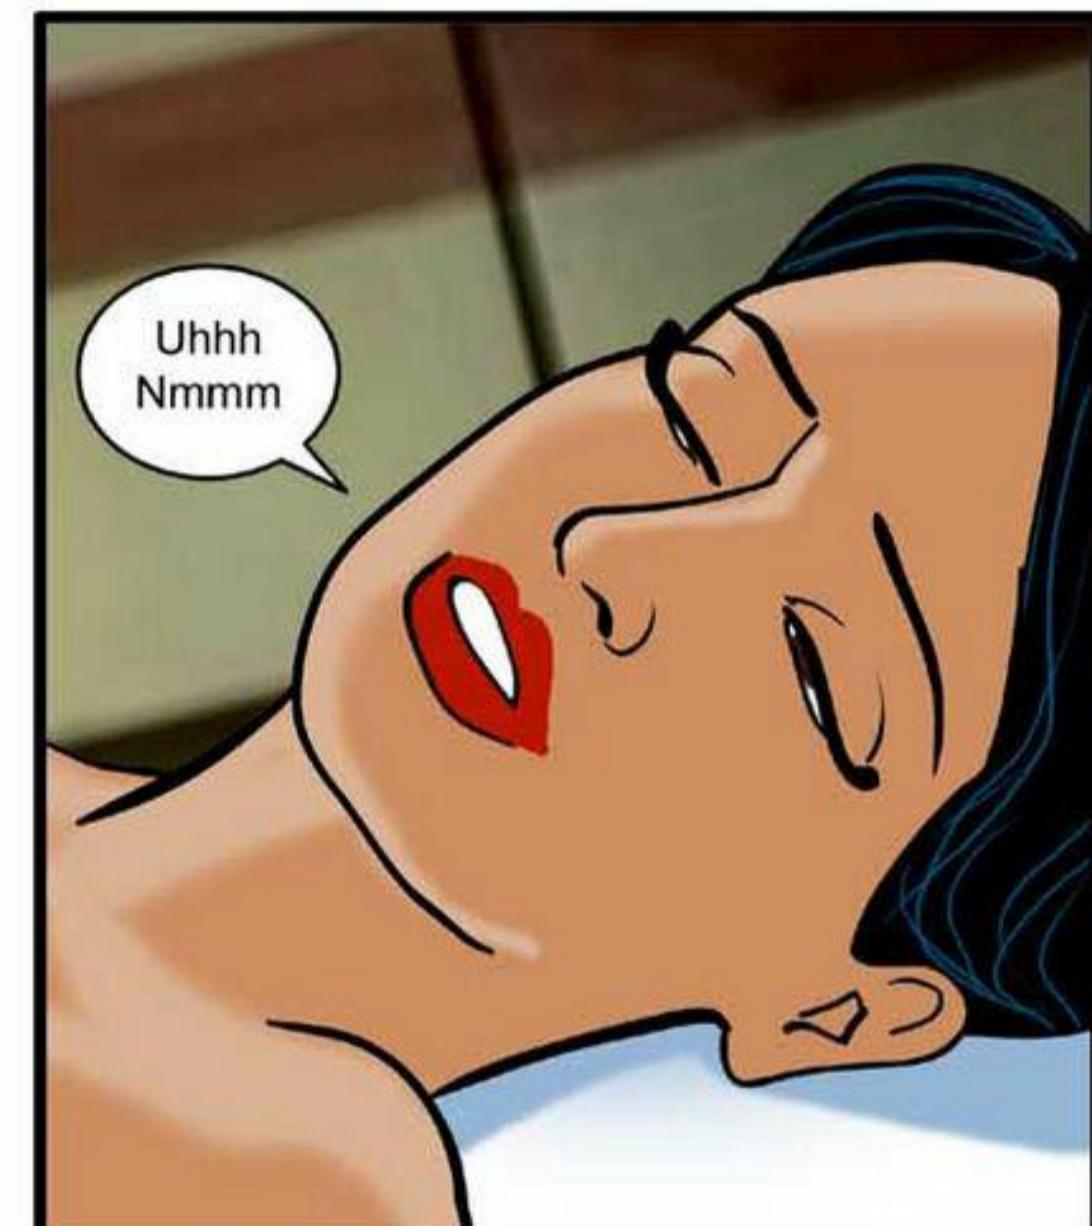

I can't
wait to feel her
soft breasts against
my palms

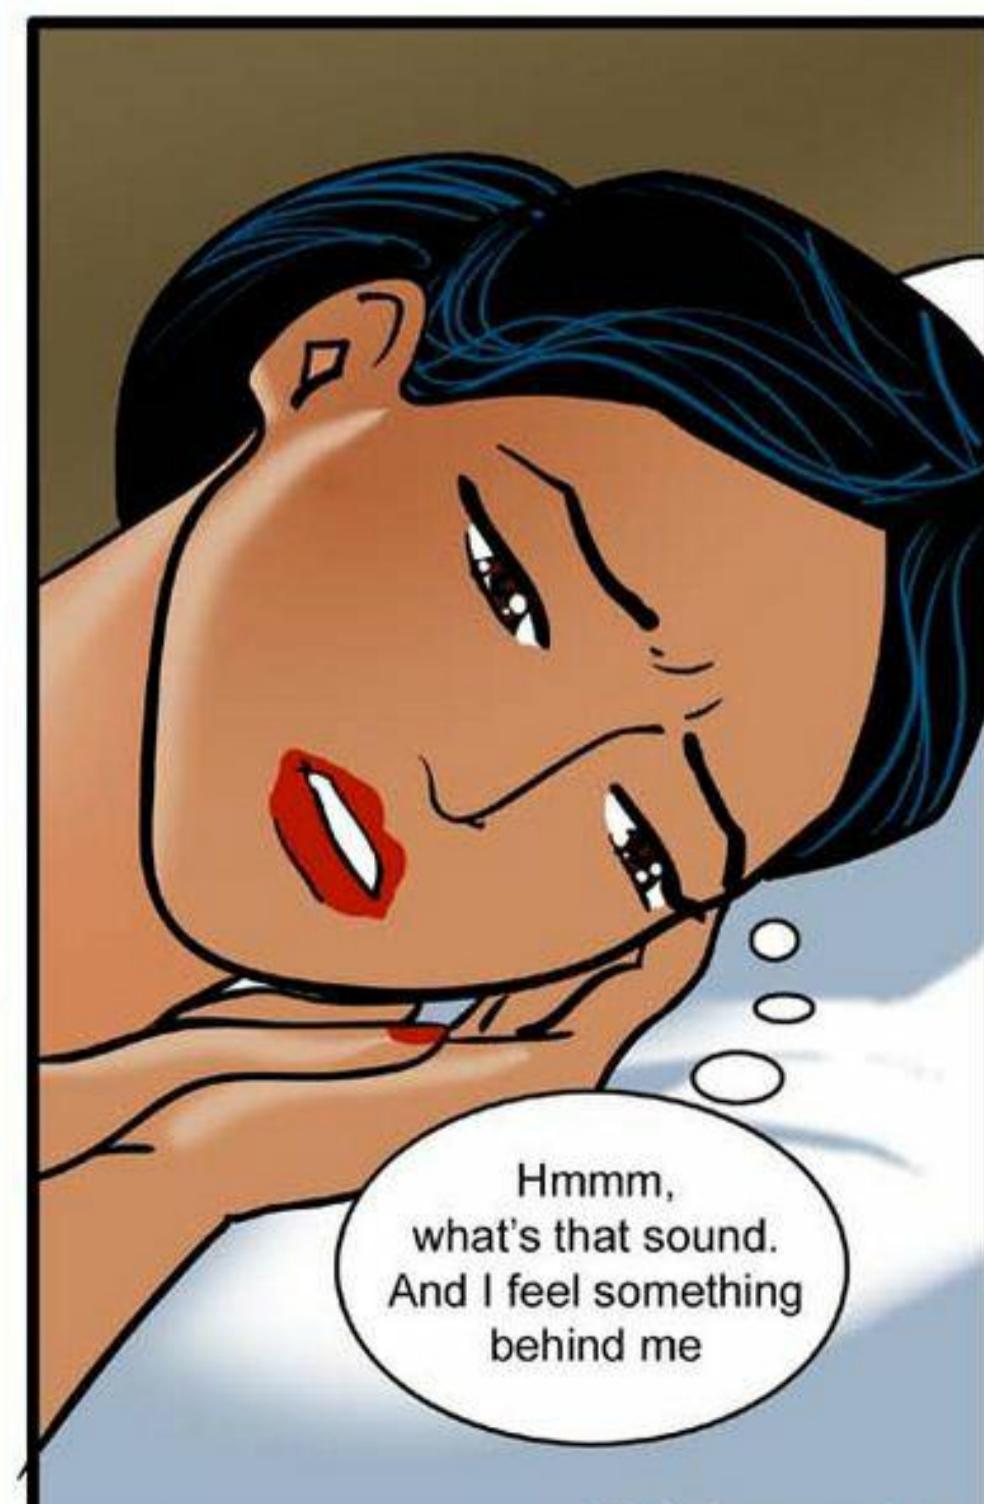

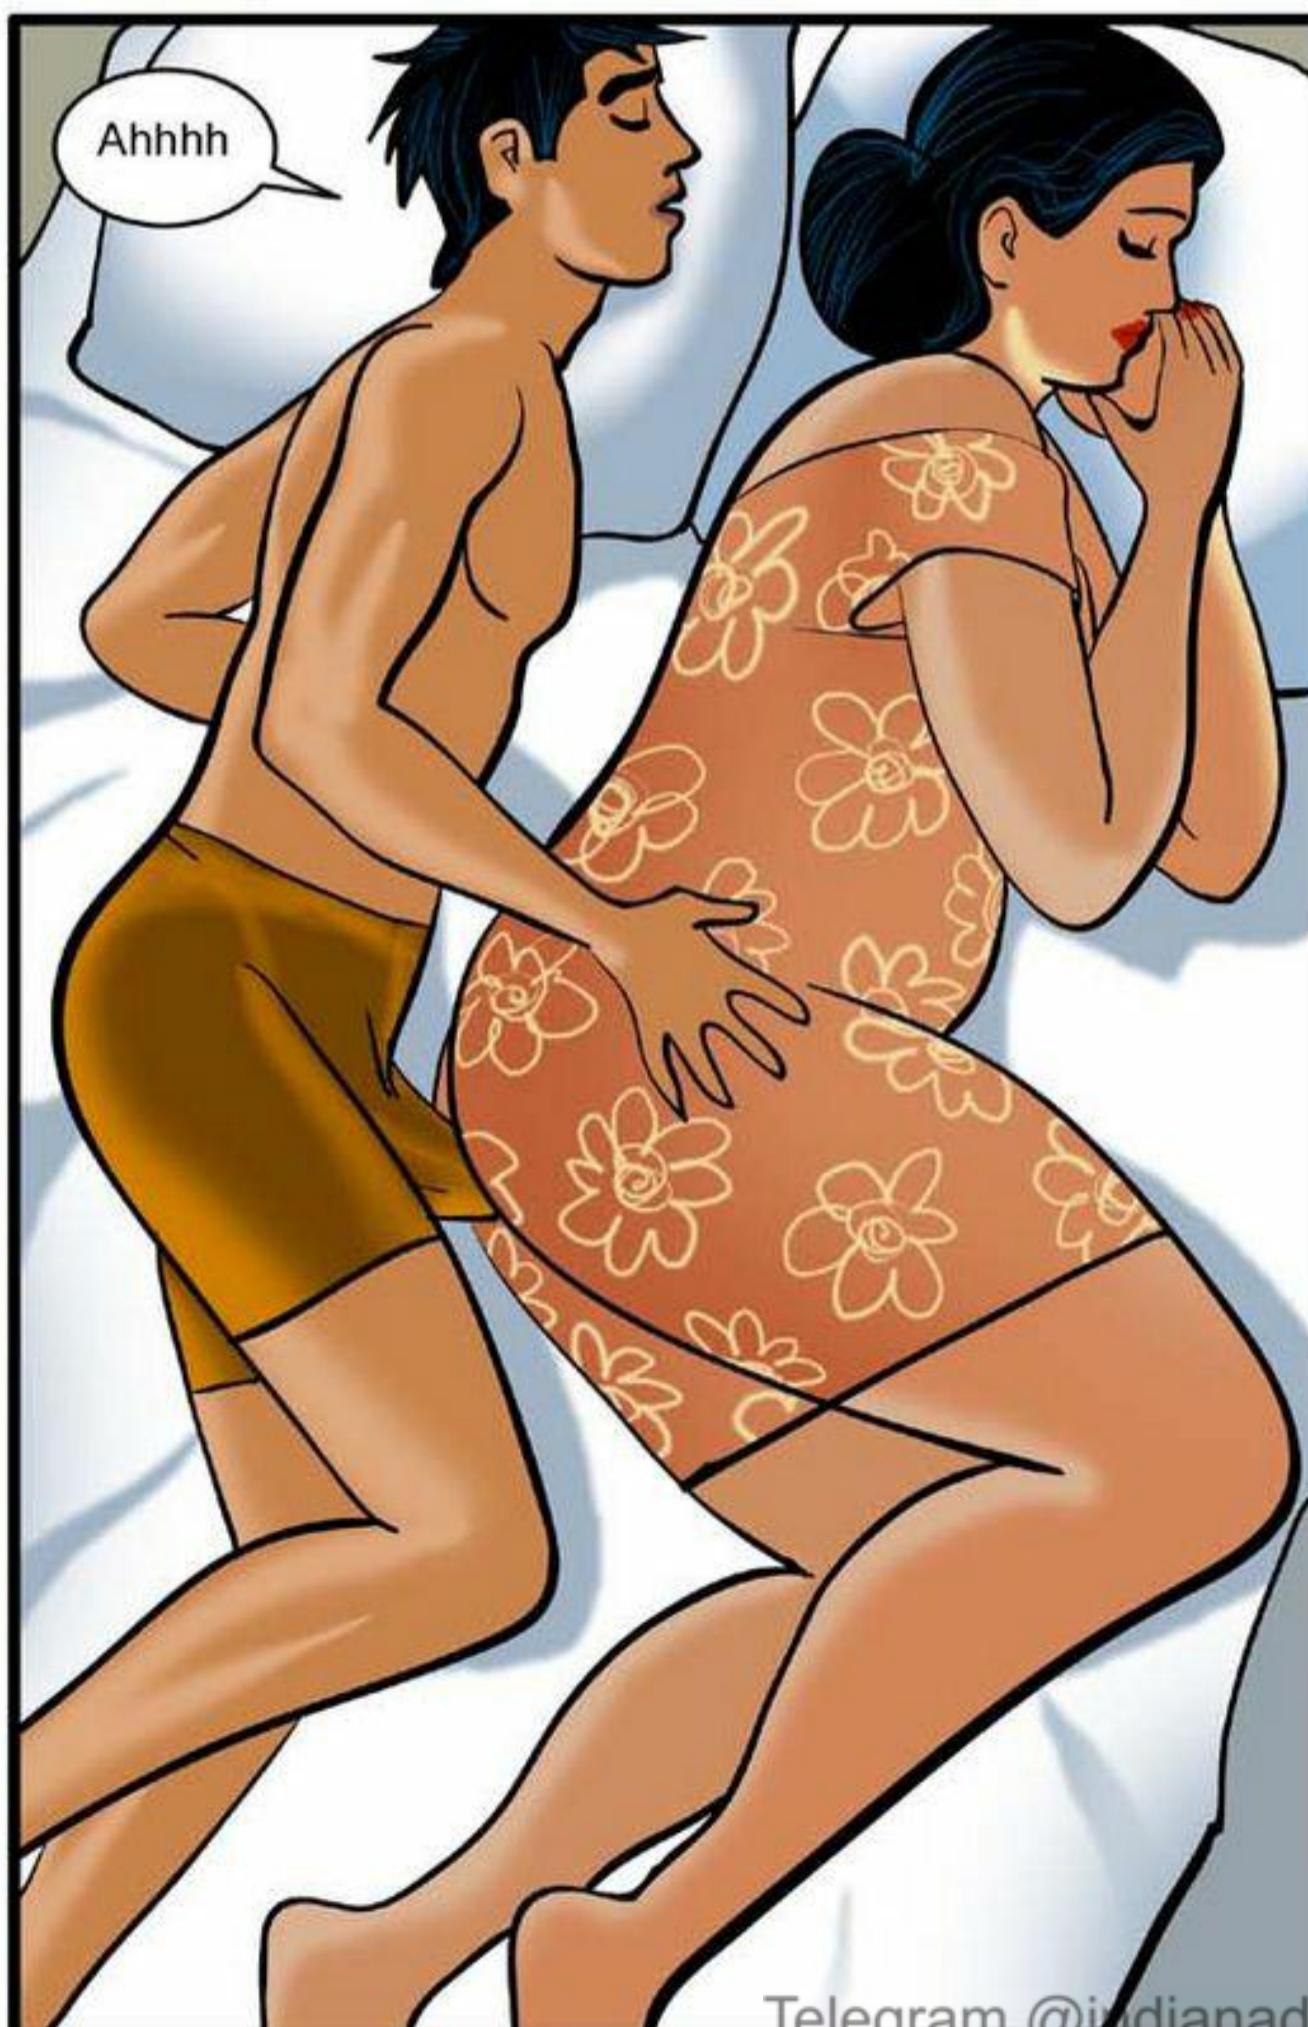

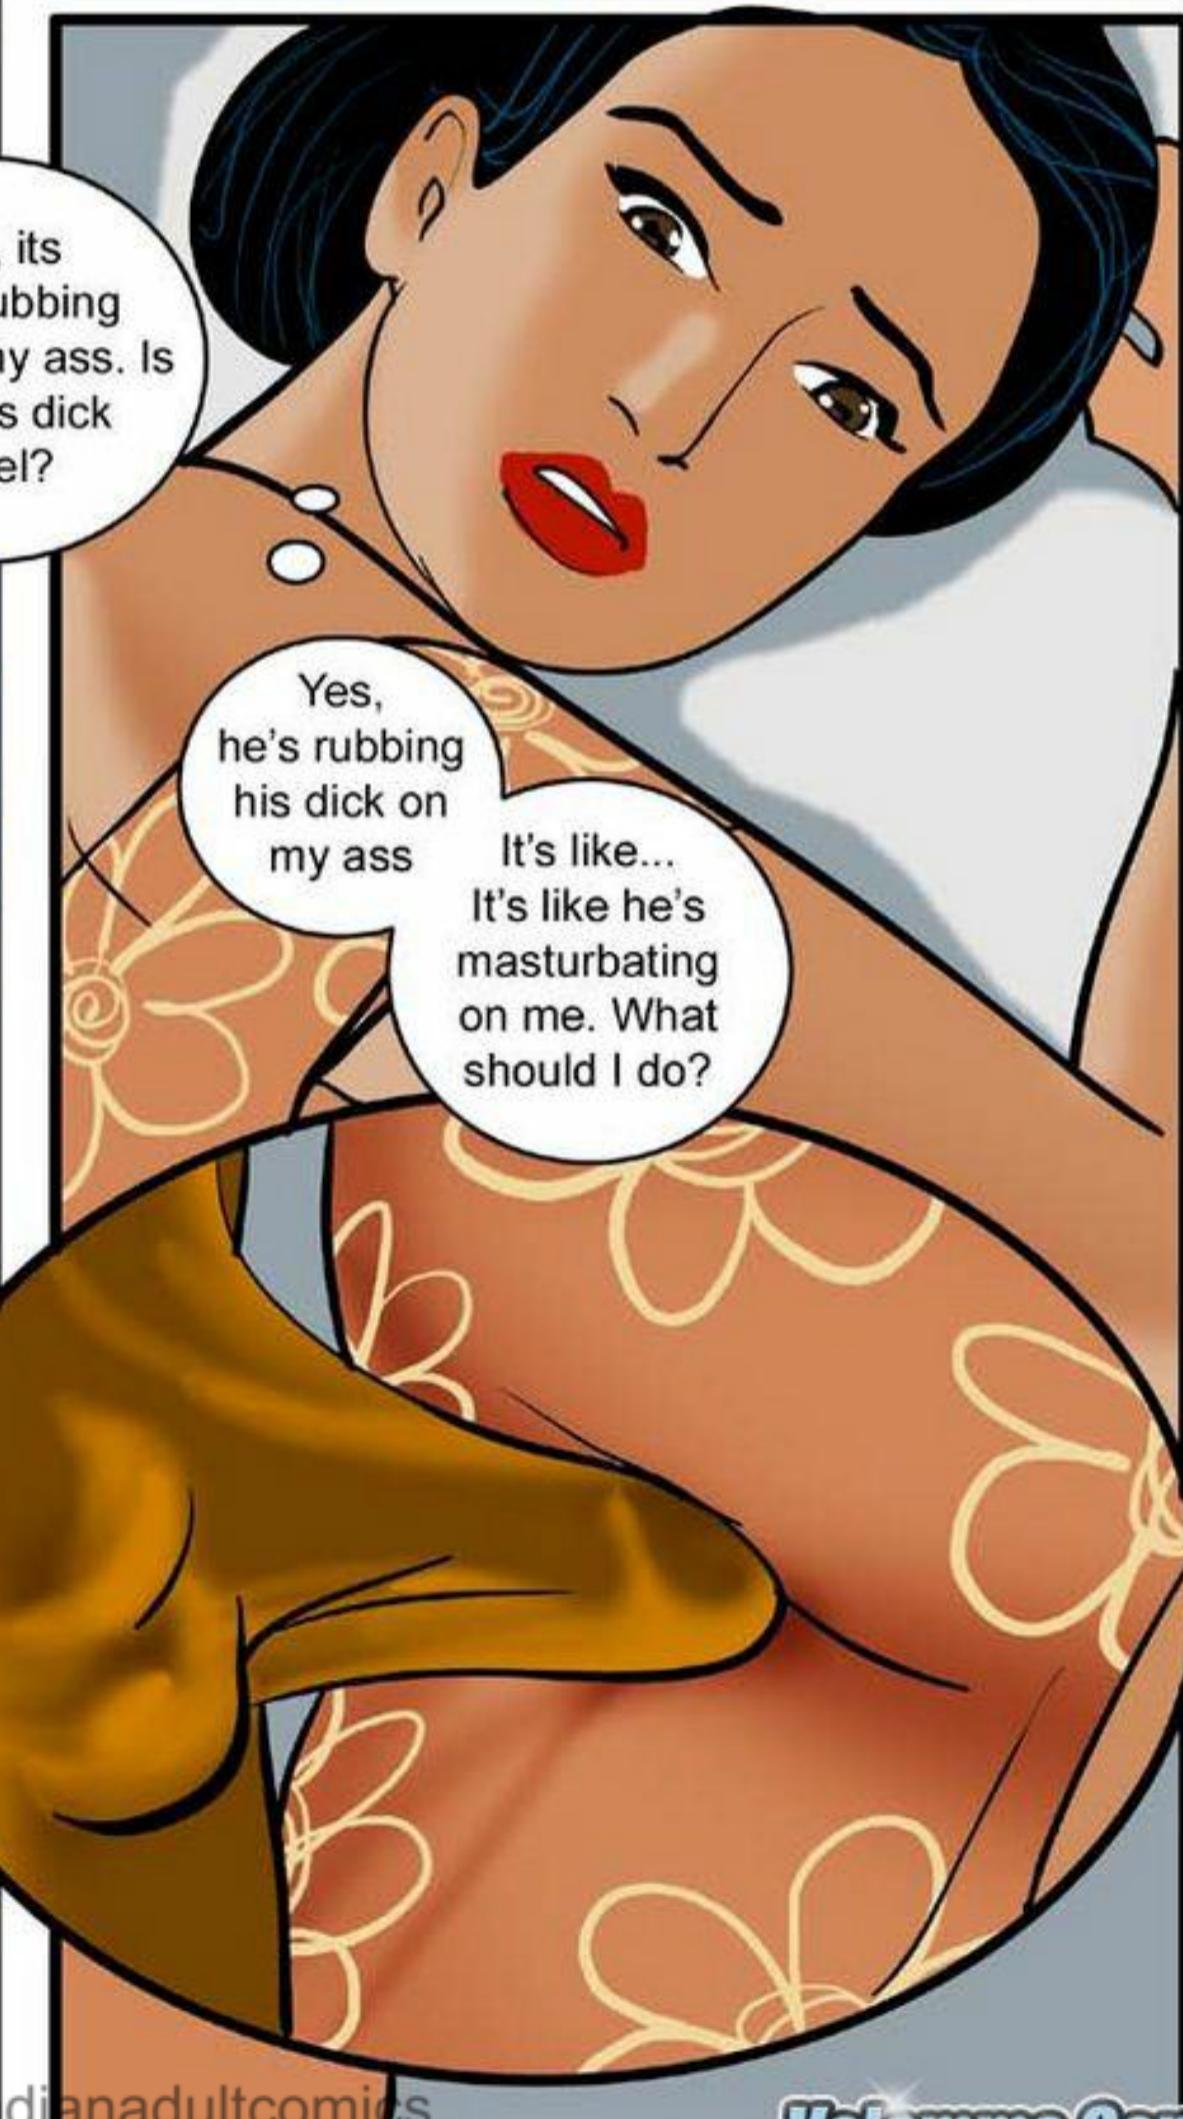

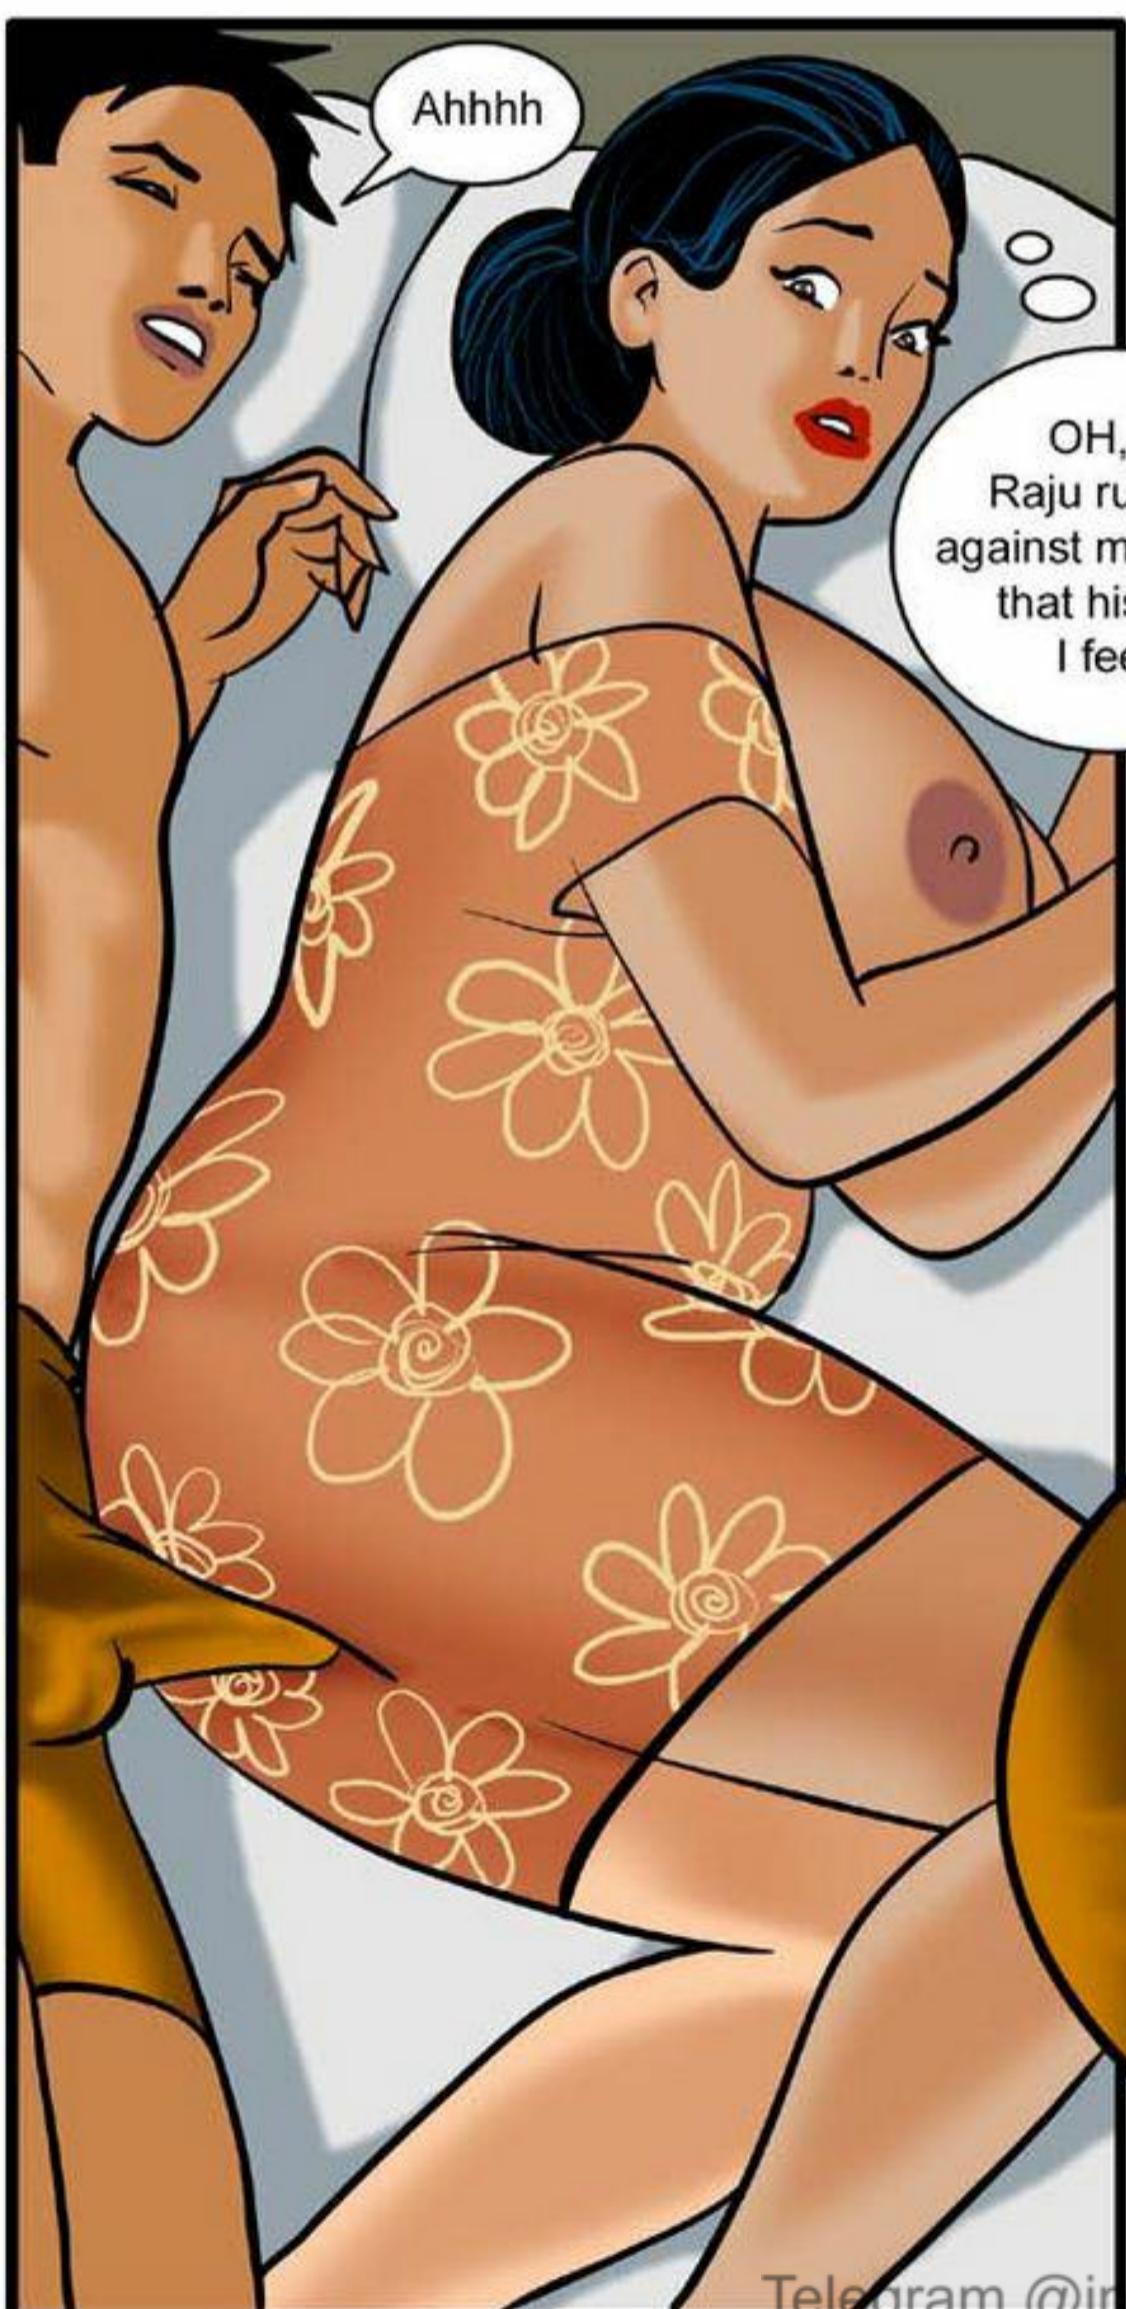

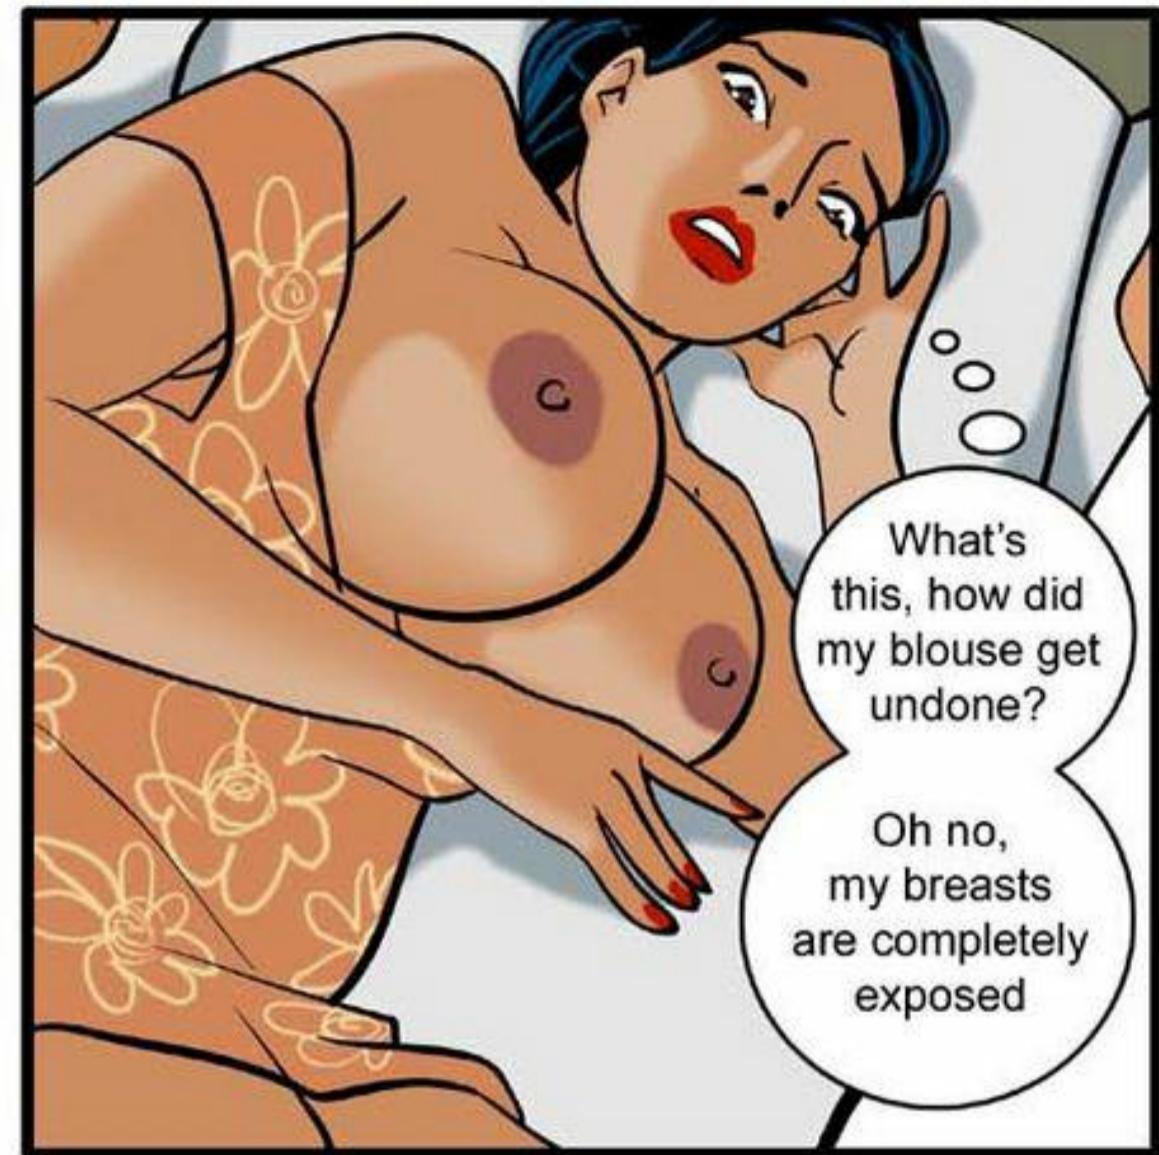

I just
want to press her
soft melons, but I have
to be careful to not
wake her up

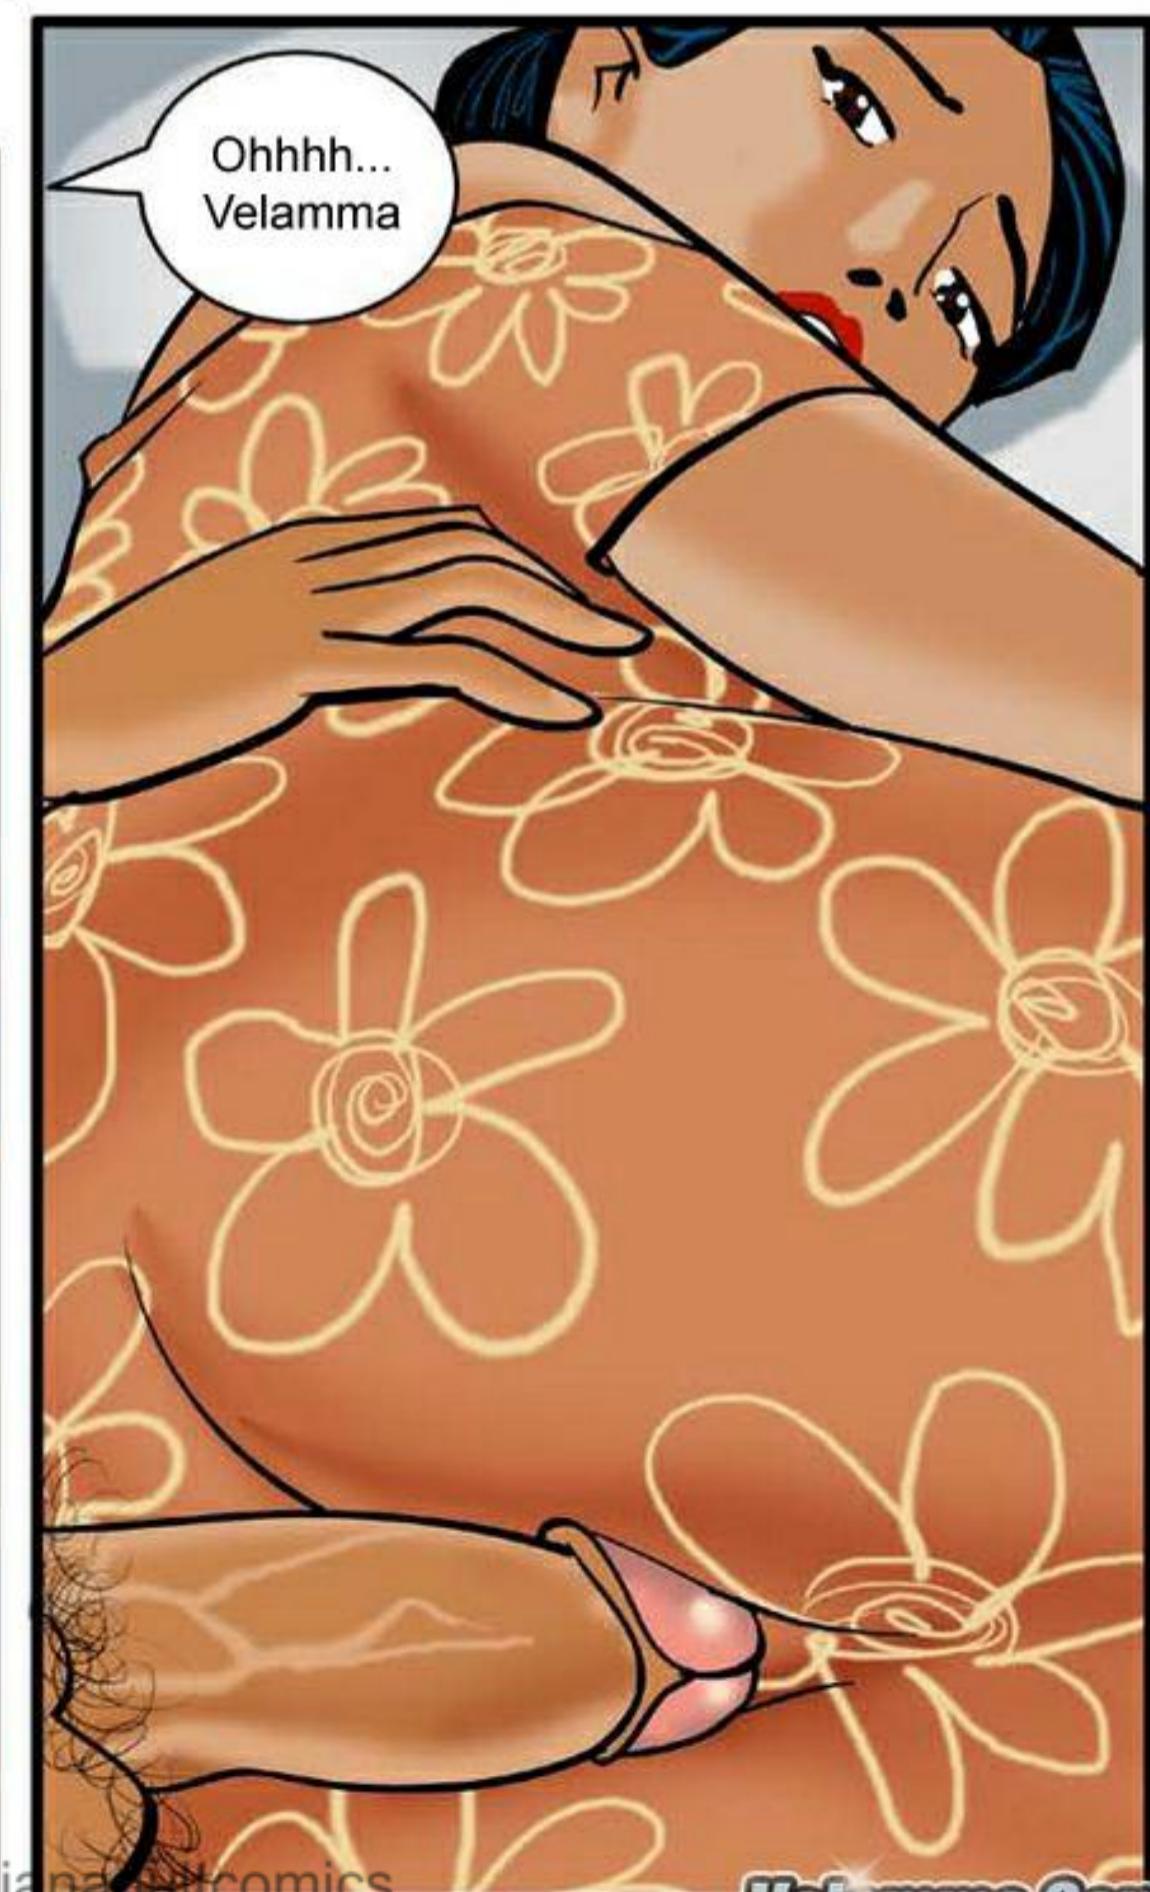

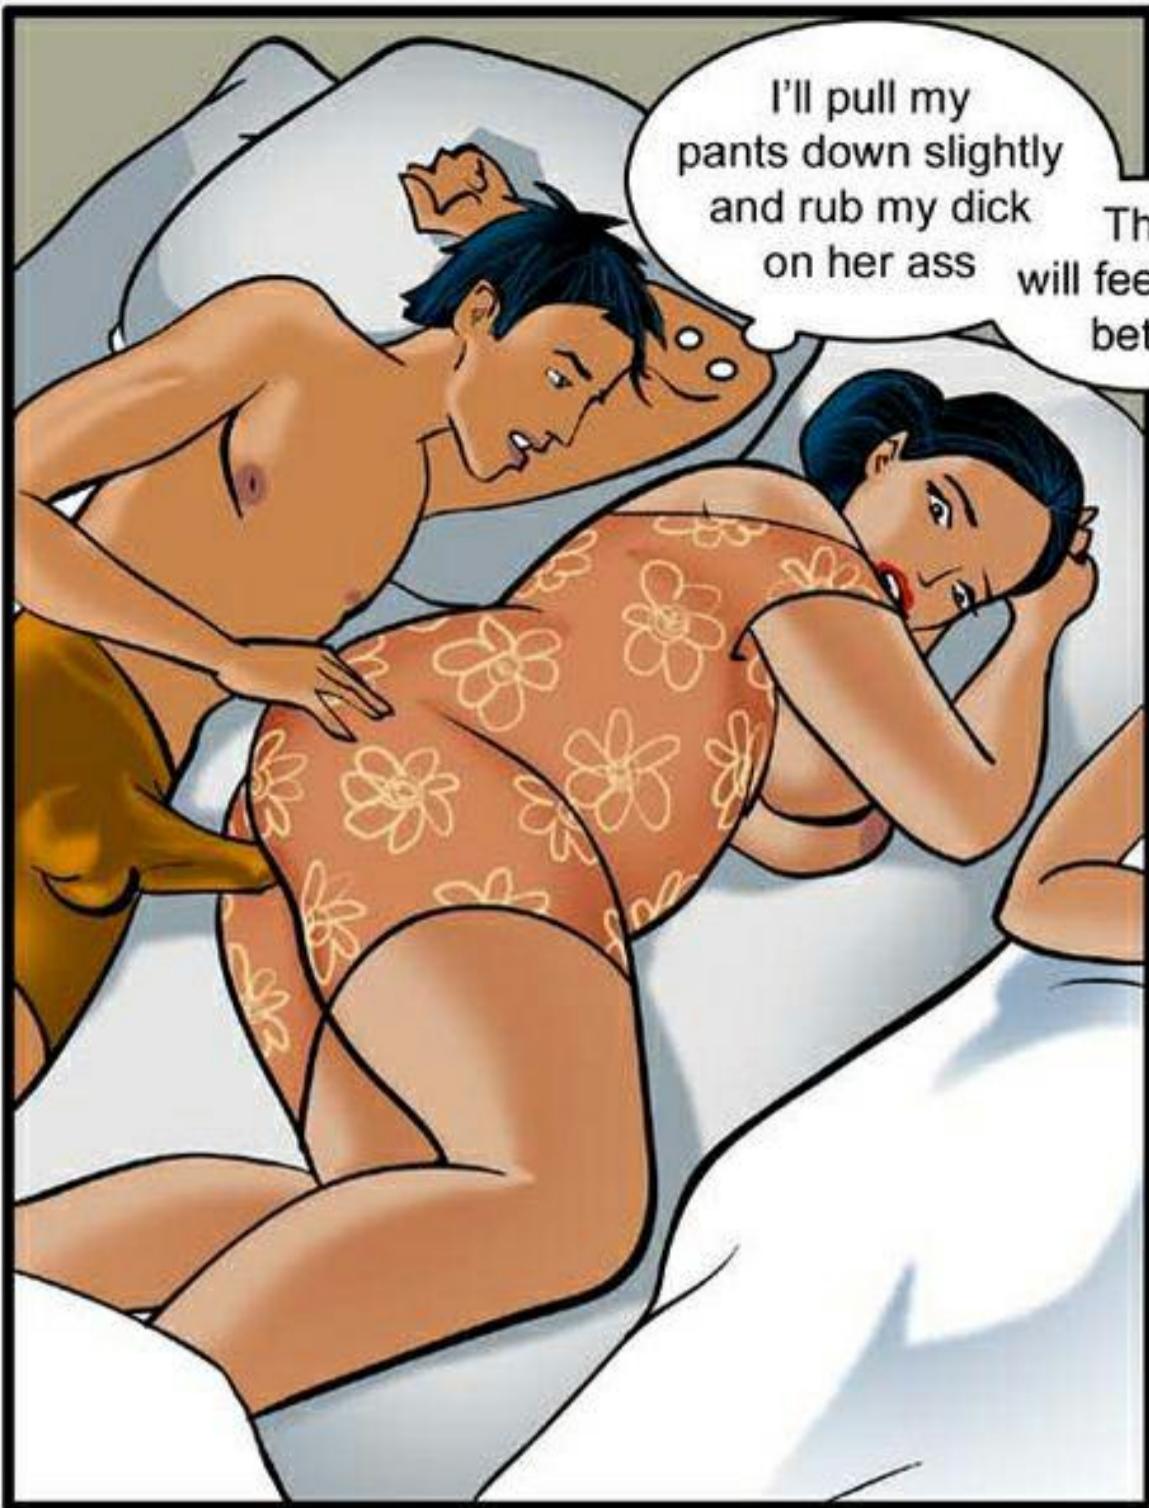

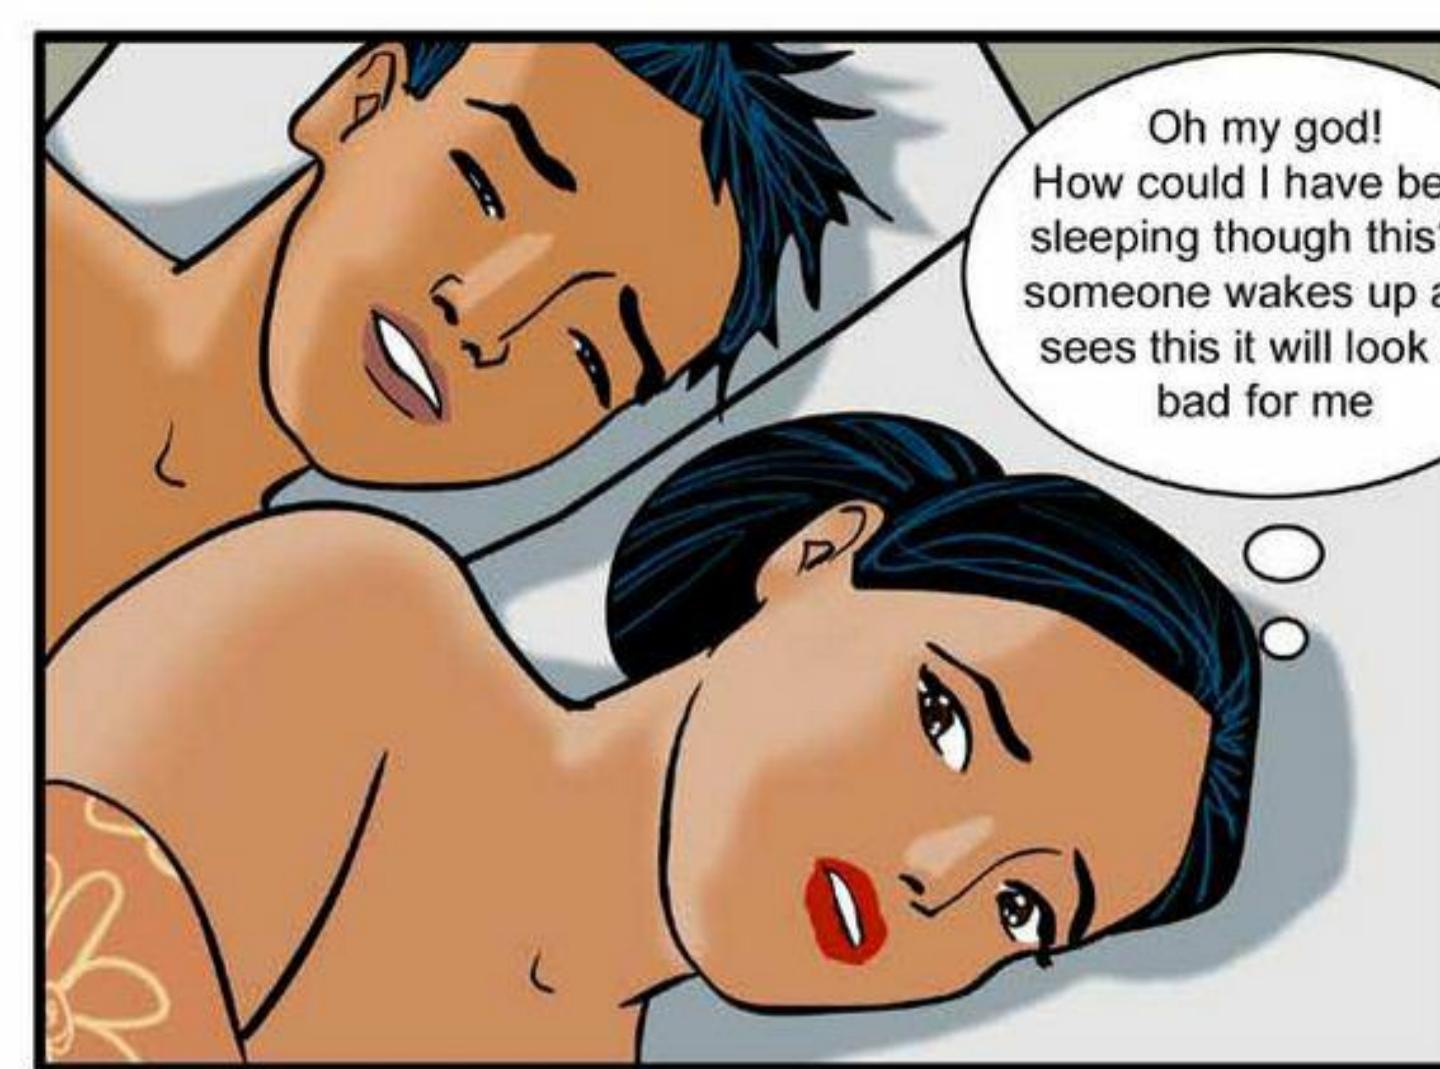

If I can
just take off a few
buttons I will be able
to feel her boobs
from inside

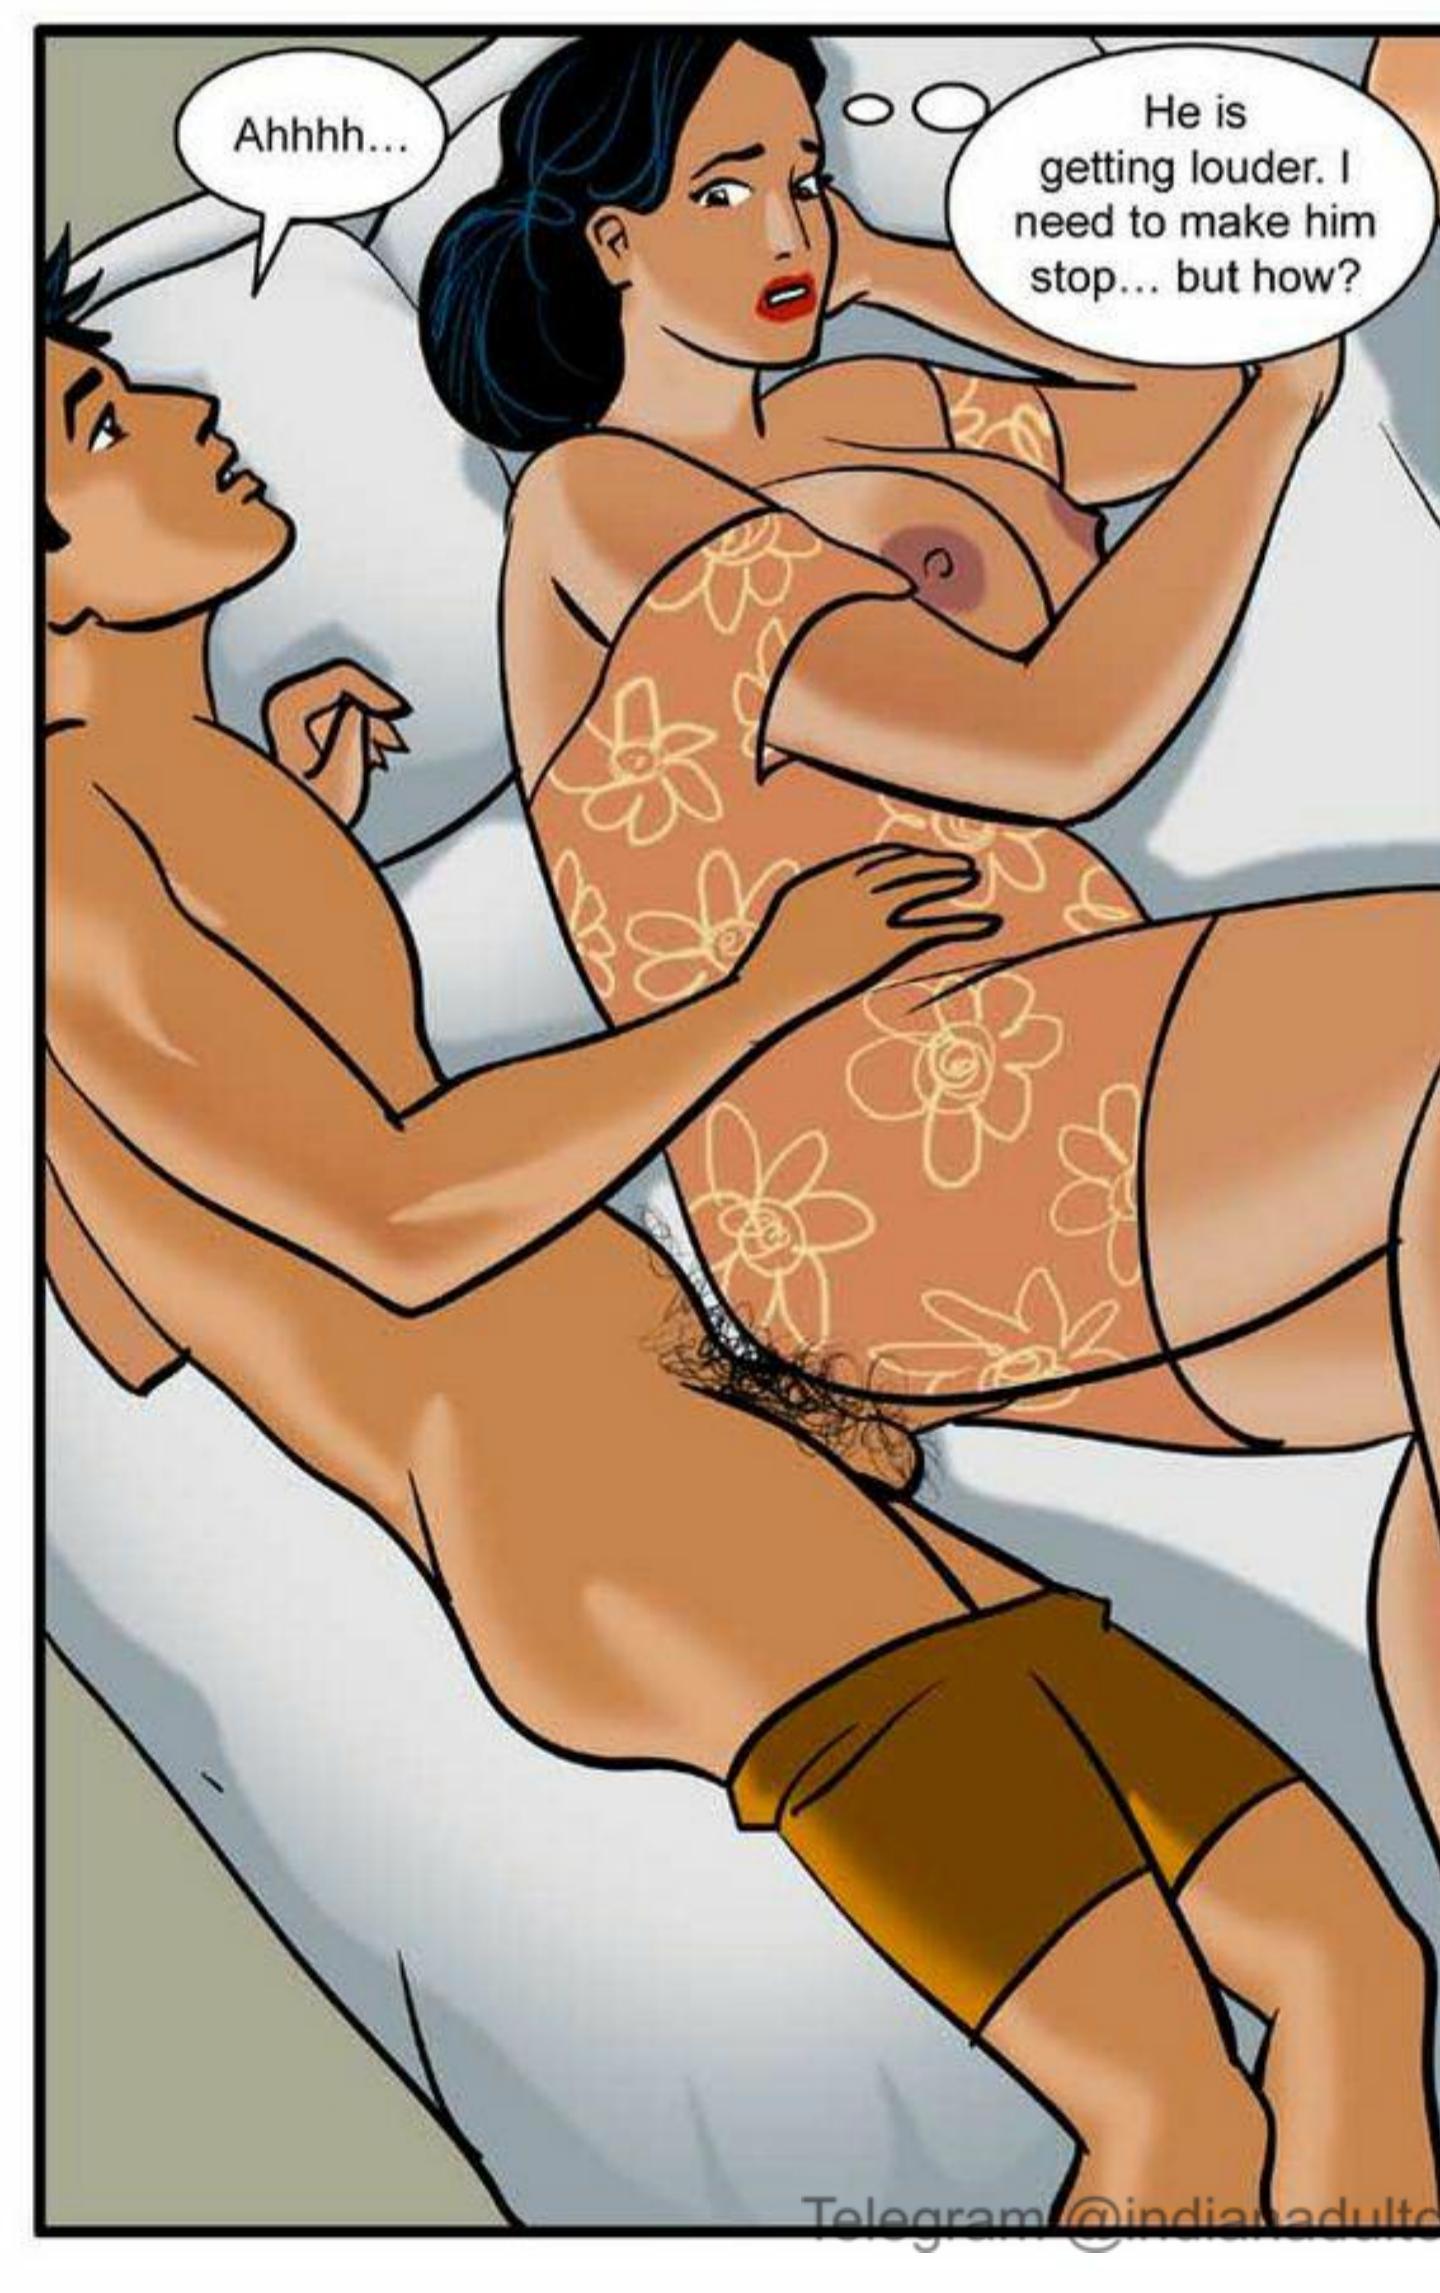

Oh my god!
How could I have been
sleeping though this? If
someone wakes up and
sees this it will look so
bad for me

They will see
me lying naked here
with Raju trying to
fuck me from
behind

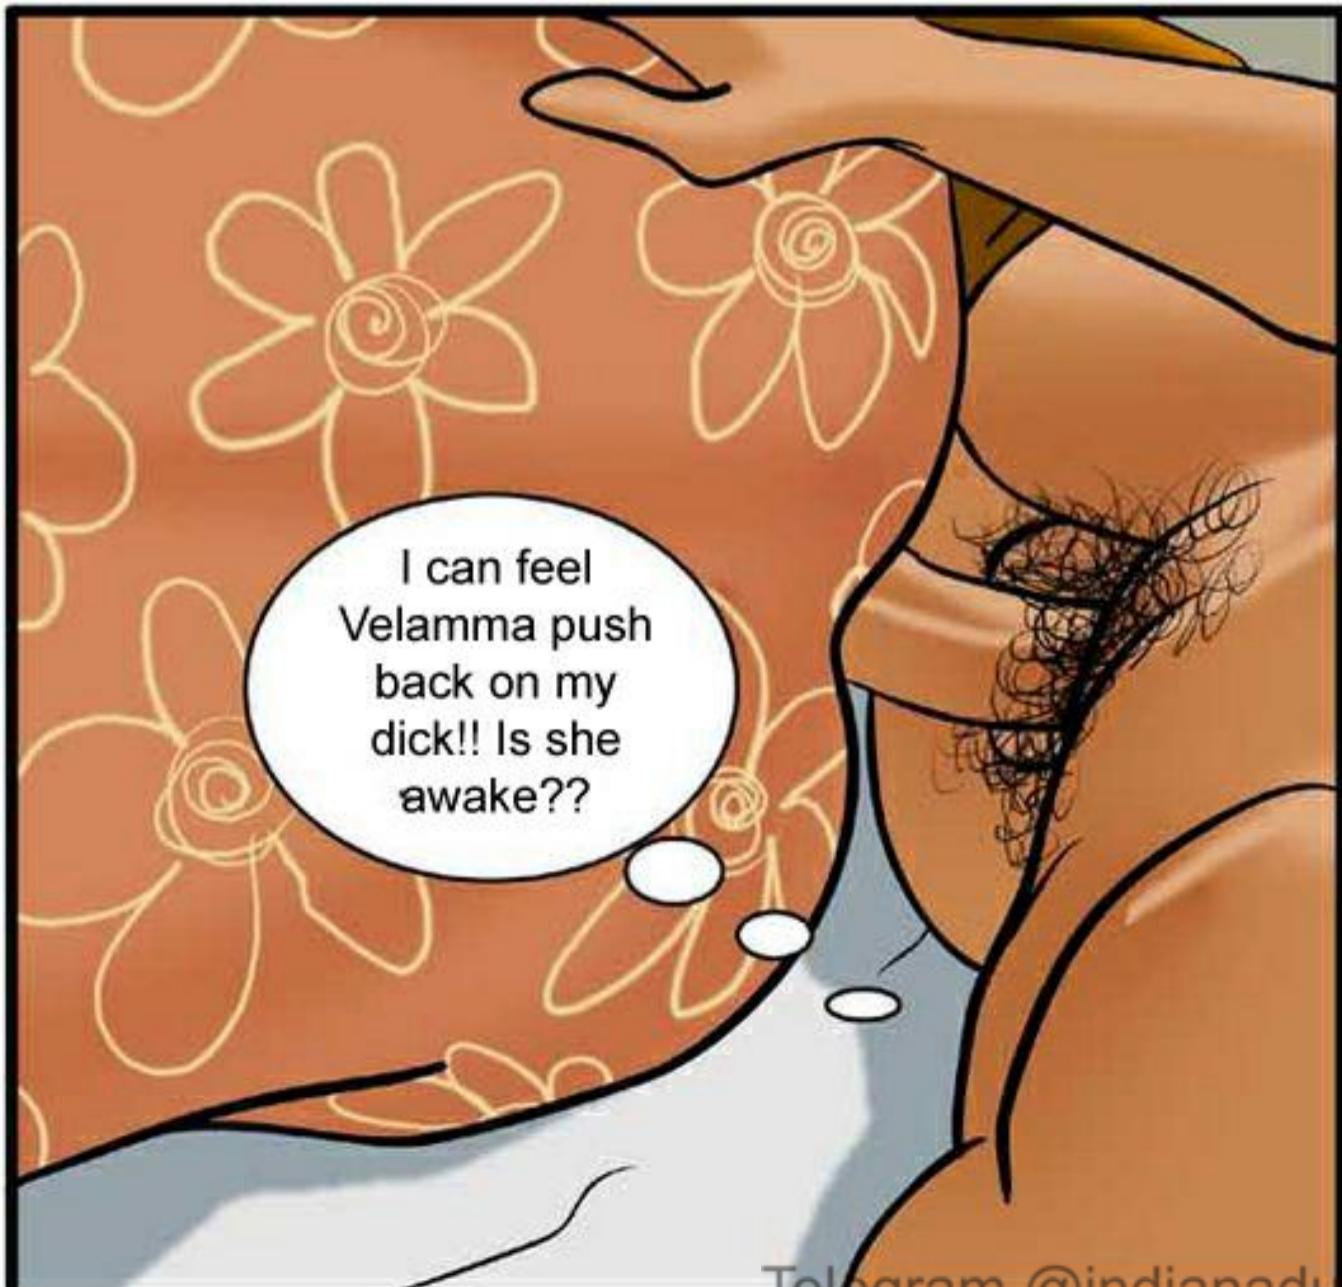

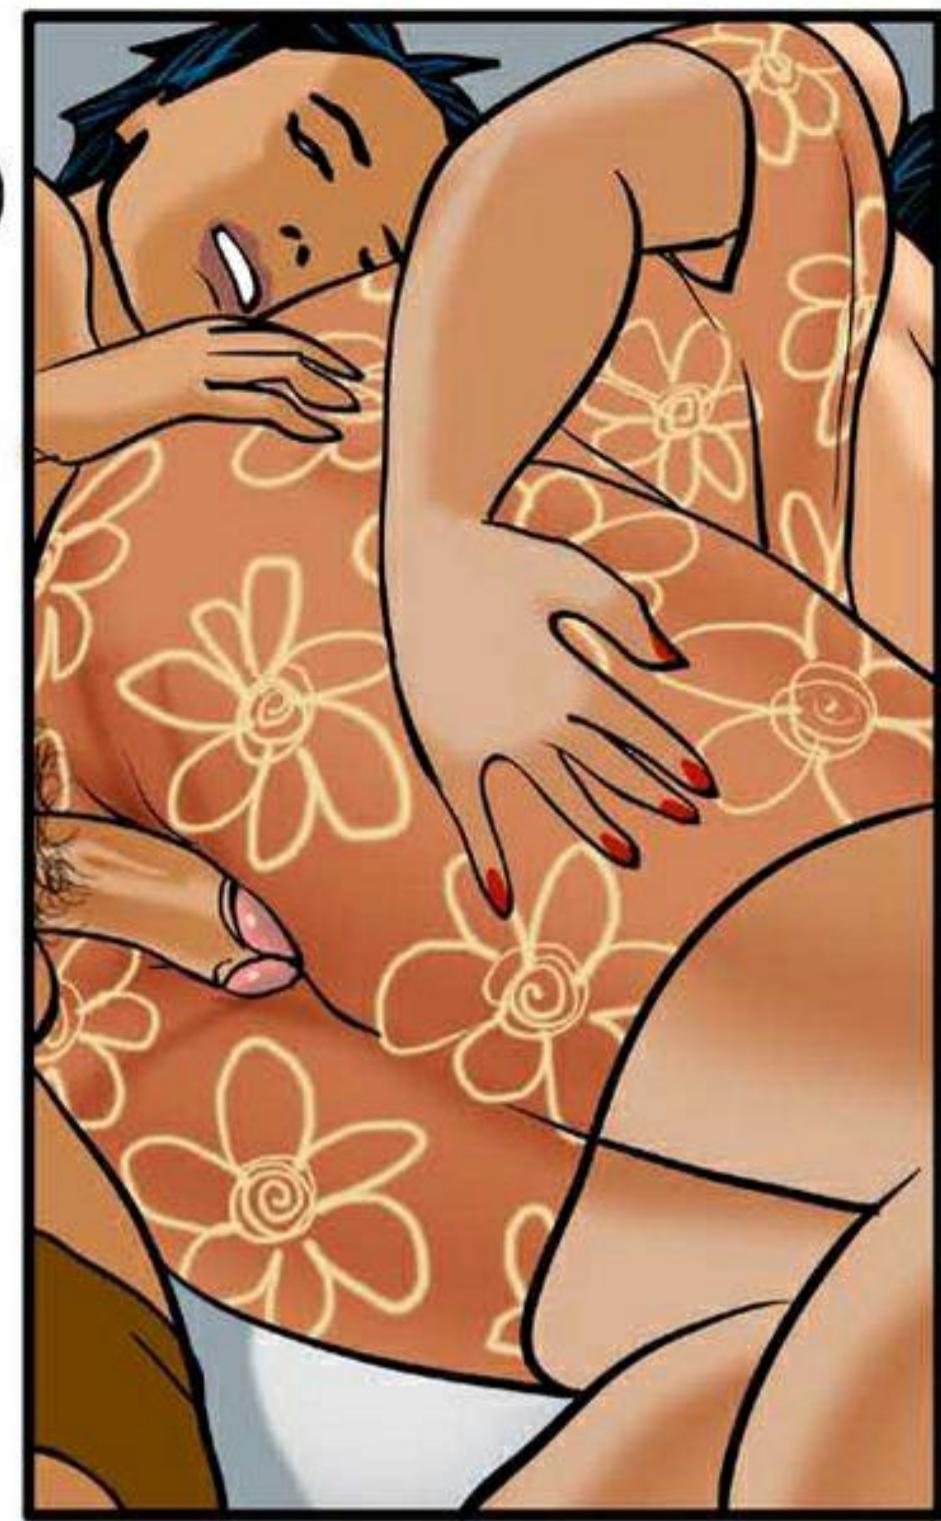

Ahhhh...

He is
getting louder. I
need to make him
stop... but how?

Maybe if
he cumms he will stop. I
have to make him
cum!

Oh my god!
Velamma has
my dick in her
hands

I
love this
picnic!

Mmmmm

Velamma jacking
me off is making me even
hornier. I need to fuck
her now!
